8% pay hike in budget

By HARRY BARNES
Press-Record Staff Writer
A salary increase of 8 percent for virtually all Granite City employees — bringing the city's annual payroll to nearly \$3 million — is included in the first draft of a new 1976-77 budget offered to City Council members Monday night.

City Finance Chairman Ronald Coleman, alderman of the Seventh Ward, submitted what he said is a "rough draft" budget totaling \$3,480,977 in the general fund and special ac-

counts, and \$385,454 in projected expenditures out of federal revenue sharing funds. The \$5.4 million operating budget is \$46,199 less than the \$5,454,778 operating budget finally adopted a year ago for the 1975-76 fiscal year which ended Friday. The new revenue sharing budget of \$385,454, however, is \$803,023 less than the \$1,188,477 appropriated for last year.

Finance officials noted that the budget distributed to council members Monday night is subject to almost certain changes in subsequent council sessions and the figures cannot be accepted as final at this point.

Coleman, after distributing copies of the proposed budget to the aldermen, asked the officials to study the projections until the regular meeting Monday, May 3, when the council is expected to begin adoption of final figures.

The 8 percent salary increase became effective Saturday under terms of working agreements with city employees affiliated with unions a year ago. The two-year pact called for a 12 percent raise during the 1975-76 year which began May 1, 1975, and for an additional 8 percent raise this year.

On the basis of 1975-76 payroll figures, an 8 percent increase will add approximately \$217,000 per year to the city's salary costs, bringing the total payroll for the current year to about \$2,941,000.

Urge expanded televising and repairing of GC lines

A recommendation that Granite City move as "speedily as possible" in acquiring additional equipment for the city's sewer televising and grouting program to rehabilitate sanitary sewer lines in the Nameoki area was made to the City Council Monday night by the Community Resources Commission.

The recommendation was based on a study of progress made in use of the city's present televising and grouting equipment in reinforcement of deteriorated sewer lines, the

council was told in a letter by Carl E. Mathias, chairman of the Resources Commission. Mathias said it has been determined in the commission's study of the program that the cost of rehabilitating faulty lines amounts to about \$7 per lineal foot, compared to a cost ranging from \$200 to \$450 per foot to repair sewer lines after they are broken.

He noted that the rate of operation with available equipment would require from six to eight years to televise and grout all existing sanitary

sewer lines where faults are suspected and which are in danger of breaking because of a high water table. As a result, Mathias said, the commission recommends that additional equipment be acquired to speed up the timetable for sewer line rehabilitation and that the proper number of additional workers be added to the program to use the additional equipment. The recommendation also suggested that this action be taken as soon as possible.

Mayor Paul Schuler told council members that the Resources Commission, an 11-member unit of civic and business leaders appointed in July 1973 to act in an advisory capacity on city problems and programs, will be notified that the city "is in the process of complying" with the recommendations.

City finance officials already have set up \$40,000 in its new federal revenue sharing budget for the purchase of additional equipment to supplement that of the television and grouting system now in use.

In a related action, the aldermen referred to City Engineer Monroe Brewer and Street Superintendent Lionel Portell a request for information as to what can be done to eliminate sewer backups and strong odors causing protests from residents in the vicinity of a major sewer break at Ames and Franklin avenues.

MITCHELL ATHLETIC CLUB QUEEN Karen Norris (center). She will receive her crown May 8 from last year's queen, Pam Pritchard, following a 1976 season-opening baseball parade at 1 p.m. from Mitchell School to the Mitchell baseball diamonds, during ceremonies of the Mitchell Athletic Club. Miss Norris, 16, is a daughter of Mr. and Mrs. John (Patricia) Norris. At left is an attendant to the queen, Debbie Widel, 16, a daughter of Mr. and Mrs. William (Beverly) Widel, and at right is attendant Carol Douglas, 17, a daughter of Mr. and Mrs. Robert (Rose) Douglas. All reside at Mitchell.

Dr. Wilkins heads Ill. Medical Society

Dr. George T. Wilkins Jr., a Granite City pediatrician, was elected president of the Illinois State Medical Society Monday at a meeting held in Chicago's Palmer House.

Dr. Wilkins is a past president of the Madison County Medical Society and has practiced here for the past 15 years. The physician graduated from Louis Berer Elementary School in Madison and attended Madison High School and Culver Military Academy, Culver, Ind., for his secondary education.

He graduated from the University of Illinois College of Medicine in Chicago. Dr. Wilkins is an instructor in pediatric medicine at Washington University School of Medicine as well as conducting an active practice here. Dr. Wilkins considers himself an outspoken advocate of free enterprise and an activist against governmental involvement in the practice of medicine.

He currently is chairman of the Illinois Political Action (Continued on Page 28)

Sewer project no burden to county

FIRST OF A SERIES
Madison County faces no liability for the three special service areas being created to provide sanitary sewers, Harry E. Hartman, attorney for the program, said today.

Responsibility for scheduled general obligation bond issues will be limited to the three areas, in the bond ordinances and also in wording on the bonds themselves, Hartman explained.

The issue of potential countywide liability had been discussed at the April 21 Madison County Board meeting at which preliminary approval was given to the project. But verifications received this week show no problem in this regard.

The project is sound and will attract public support in all three areas to be served, Hartman predicted.

Area One includes Nameoki and Chouteau Township unincorporated areas north to the vicinity of the Hartford area (Cahokia) Canal, plus the village of Pontoon Beach and the Benjamin Addition area of Venice Township.

Under a state requirement that each area consist only of contiguous sections, Area Two has been designated for State Park Place and Area Three for East Madison, Cloverleaf and Eagle Park Acres.

Pettions seeking merger of the three areas were circulated by Eddie Salmon and others at a meeting attended by about 100 persons last night in Eagle Park Acres. Ben Honorable outlined potential grants to each of the three areas.

The Madison County Board is scheduled to meet Monday night to discuss the three areas, with coordination by a special committee headed by Chouteau Supervisor Walter

Sparks. Edward Juneau is the designer and engineer. Hartman said some of the present confusion over details of the sewer project may stem from the fact that time was insufficient for a detailed presentation by him at the County Board meeting.

Some of the doubts voiced during Monday night's Nameoki Town Board meeting deal with points that can be adequately clarified, Hartman advised.

About 60 were present at the Nameoki Town Hall and the mood generally was favorable among those present. Some in attendance say they are not a part of the territory to be served by sanitary sewers and would like to become a part of it if they can.

H. Carl Runge, township attorney, advised Eduardo Drive area residents along Highway 162 to appeal to the Illinois Environmental Protection Agency to modify the plans so that they can be included.

Nameoki Supervisor Louis Witsell explained that Area Two will connect to the Collinsville sewage treatment plant and Area Three will be linked with existing Granite City sewers.

He said Area One sweeps from Stallings North and then west, including Pontoon Beach and Mitchell, ending at the Granite City treatment plant on the Army Installation ground.

He noted that Arlington Heights is excluded because it has its own sewer system. Witsell said public hearings on the three proposed town districts will be held at the Madison County Courthouse May 15 and 22. They have been set for Saturdays so as many people as possible will be able to

Tentative okay on student assignments

Illinois State Education Superintendent Joseph M. Cronin has informed the Madison School Board that its plans for school desegregation are basically acceptable. It was noted at last night's board meeting.

By September 1977, when it is scheduled to open the seventh-eighth grades school, all Madison schools are to be completely desegregated except for Blair School, which handles kindergarten through third grade (K-3) students.

Children in grades kindergarten through third grade will have an open enrollment choice by parents under the Madison plan.

Harris School, also handling K-3, is already integrated. Schools serving K-3 have been allowed by federal courts to follow a neighborhood plan as long as the schools have a quality program. Supt. John Palchiff said.

"Federal judges have been allowing open enrollment (parents' choice) rather than forcing busing on the very young children, mainly due to the safety factor of busing the very young child," Palchiff said.

He added that when state Officials inspected Madison schools several months ago, particularly Blair School, they found good programs, effective teachers and a quality educational program.

By the fall 1977, the Madison schools will have one high school, the middle school (yet to be built), one intermediate school (Louis Baer) for grades four and five and the two primary schools, Harris and Blair.

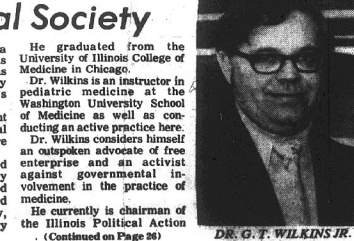

Supt. Palchiff said that the Madison board is working on details of the open enrollment plan and possibly other uses for any unoccupied rooms at Blair. Cronin has asked the board and administrators to review the K-3 situation with the Equal Educational Opportunity Section of his office during the next two months.

Dr. Cronin says in a letter to Palchiff, "The plan contains the elements which must be addressed in a comprehensive plan, and demonstrates that considerable effort is being made to provide your students an educational opportunity in a desegregated setting."

"The activities you are planning would appear to bring all schools into conformance with the state rules establishing requirements and procedures for the elimination and prevention of racial segregation in schools, with the exception of one K-3 school."

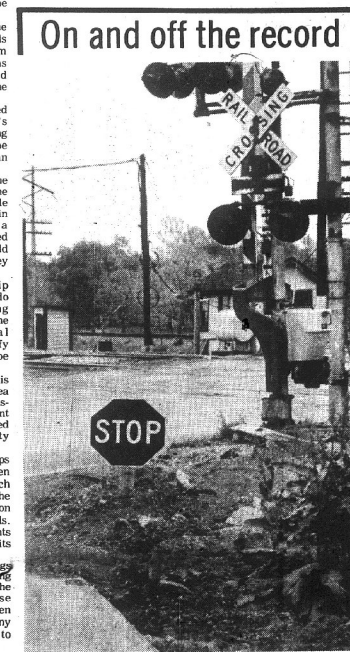

Dr. Cronin says in a letter to Palchiff, "The plan contains the elements which must be addressed in a comprehensive plan, and demonstrates that considerable effort is being made to provide your students an educational opportunity in a desegregated setting."

Some wished to name the city in honor of its founders, but William F. and Frederick G. Niedringhaus brothers, chose the name of Granite City to commemorate the granite ware which had been the basis of the city's industry.

DR. G.T. WILKINS JR. (35th of a Bicentennial year Press-Record series) The Niedringhaus family, owners of the Granite Iron Rolling Mills in St. Louis starting in 1878, came here in August 1891 and decided to establish a new city and new facilities to produce steel.

Some wished to name the city in honor of its founders, but William F. and Frederick G. Niedringhaus brothers, chose the name of Granite City to commemorate the granite ware which had been the basis of the city's industry. The demand for iron granite ware kitchen utensils was declining, and they had developed a method to enamel steel utensils. An open hearth

MICKY MOUSE TRAFFIC CONTROL? No, that isn't true because this new stop sign performs a needed service—halting rerouted northbound Main Street auto traffic at a point where eastbound traffic from the McKinley Bridge has the right-of-way on Broadway immediately west of the railroad crossing. But the height of the sign would be about right. Mickey and friends happened to be passing by, wouldn't it? (Press-Record Photo)

Wave at the covered wagons

"If you can't stop, at least wave." A "Bicentennial pilgrimage tour" passing through Granite City Locks No. 27 at 8 a.m. Thursday, May 13, will consist of flat-top barges carrying covered wagons.

The tow will receive "passenger" craft priority lockage for its trip, including the segment from St. Charles, Mo., to St. Louis, under an agreement between towing companies, the Corps of Engineers and the American Waterways Operators.

Arrival dates are to include May 12 at St. Charles, May 13 at St. Louis, May 15 at Chester, Ill., and May 16 at Cape Girardeau, Mo.

Notice of the voyage is being given to navigation interests who also were advised this week that heavy rains have led to open river conditions and strong cross-currents above and below Lock 24 at Clarksville, Mo., Lock 25 at Winfield, Mo., and Lock 26 at Alton, Ill.

Weather outlook for this region

The eight-mile Chain of Rocks Canal minimizes such current problems near the local locks.

Clear to partly cloudy and a little warmer today, with high about 60. Partly cloudy and cool tonight. Low in the low to mid-40s. Considerable cloudiness

Calvary Baptist to mark 50th anniversary Sunday

The Calvary Baptist Church, 30th Street and Washington Avenue will observe its 50th anniversary on Sunday.

E. Harmon Moore, D.D., executive secretary of the State Convention of Baptist for Indiana, will be the guest speaker.

Dr. Moore was pastor of Calvary Baptist from 1946 until 1948 when he left to become pastor of the First Baptist Church in Zeigler, Ill.

He also has served as associate executive secretary of the Illinois Baptist State Association and editor of the Indiana Baptist state newspaper. Dr. Moore is listed in Who's Who in the Midwest.

Following the morning service, which will begin at 10:40 a.m., a basket dinner will be held.

A special effort is being made

E. HARMON MOORE

to have all charter members of the church present, according to Rev. Al Glover, pastor of the local church.

Resurrectional Vespers held at Holy Trinity

Resurrectional Vespers were celebrated by the Orthodox clergy of the Eastern Orthodox Church Federation of Greater St. Louis at the Holy Trinity Bulgarian Orthodox Church, Madison, this week.

Orthodox priests who celebrated in this service were: Archimandrite Damascene, representative of His Grace, Bishop Simon, diocesan bishop of the Bulgarian Orthodox Church in America, New York City; Rev. John Geranios, St. Nicholas Greek Orthodox Church, St. Louis; Rev. Panagiotis Kastaris-Assumption Greek Orthodox Church, University City, Mo.

Rev. Dimitris Kovouras, Sts. Constantine & Helen, East St. Louis (Greek Orthodox); Rev. David Hounak, St. Michael's Russian Orthodox Church, St. Louis; Rev. Vladimir Lecko,

Nativity of Virgin, Mary Eastern Orthodox Church, Madison.

The Holy Trinity Choir under the direction of Miss Elaine Shipkoff sang the responses.

The reading of the Gospel from St. John was read in Greek, Latin, Bulgarian, Old Slavonic, French and English. Following the Agape Service (Resurrectional Vespers), everyone was invited to Holy Trinity Hall, 13th and Madison, Madison, to participate in fellowship and the sharing of traditional pastries that are served on this special occasion.

Approximately 300 were in attendance at the service and the Agape that followed.

Rev. Peter Stamboldjev, pastor of Holy Trinity, is hospitalized and was unable to participate in the celebrations.

Stallings PTA names Mrs. Kopchak

An election of officers and announcement of May student field trips highlighted the Stallings School PTA meeting held last week in the school gymnasium.

Officers elected to serve for the ensuing year are: Mrs. Judy Kopchak, president; Mrs. Janet Simpson, vice-president; Mrs. Audrey Ribbing, second vice-president; Edward Birnek, third vice-president; Mrs. Beth Bladdick, secretary; and Mrs. Wilma Bowen, treasurer.

The installation will take place at the May 20 meeting.

Mrs. Bowen, vice-president, presided at the session and led the pledge of allegiance and PTA prayer.

Reports were given by Mrs. Maudie Bates, secretary, and Mrs. Pat Patterson, treasurer.

Field trips planned include a kindergarten outing on the Huck Finn; first grade to the St. Louis Zoo; second grade to Grant's Farm; third and fourth grades to sites of interest in Downtown St. Louis; fifth graders will visit the Museum of Transportation and Shaw's Gardens; and a trip will be made to Springfield by the sixth graders.

Kindergarten registration is being held today and May 28 will be the last day of school, it was announced.

The school picnic is planned for May 17 at Shelter 5 at Wilson Park. Students will be dismissed at 10:30 a.m. and the picnic will begin at noon. Parents will be responsible for their children's transportation to and from the event, Principal Birnek said.

Prizes for the evening were won by Mrs. Pat Patterson and Mrs. Kopchak.

After the session Mrs. Ann Johnson, physical education teacher, led PTA members in an exercise program and volleyball games. Refreshments were served by the afternoon kindergarten mothers.

POLISH MASS SUNDAY

An annual Polish Mass will be held Sunday, May 2, at the National Shrine of Our Lady of the Snows, Illinois Route 400, Belleville. The Mass will begin at 11:30 a.m. at the outdoor main altar. The Rev. Fr. Hyacinth Marzuchowski will be celebrating, with a choir providing music under the direction of Fr. Robert Chopek. The public is invited. Dinner will be served immediately afterward at the shrine's St. Joseph's Visitors Center, and other Polish activities will be held at the center.

Government services expected by people exceed revenue, state educator says here

"The State of Illinois cannot afford to pay for all the laws now on the statute books — not for Medicaid, not for public aid, not for school aid," State Superintendent of Education Joseph M. Cronin told the Illinois Association of School Boards' Southwest Division in Granite City Tuesday.

"While the economy is turning around, the turnaround is not fast enough to allow us to spend all that the state aid formulas authorize," he said, adding that Illinois is not unique in this difficulty.

"Illinois, Iowa and Minnesota are more solvent than such high unemployment states as

Michigan and Pennsylvania," he said. "But the fact is that our expectations of government in Illinois are running ahead of available dollars this year."

Discussion operations to keep education expenses within the funds available, Dr. Cronin pointed to possible reductions, savings or deferred spending in a number of proposals:

1. Elimination of state reimbursement for summer school, as summer school is an optional rather than mandatory program: \$37.5 million.
2. Spending only \$7 million of the \$27 million for textbooks for public and private schools, paying only for the first three years of school to initiate the program: \$20 million.
3. Bonding \$10 million for special education construction facilities, rather than drawing on the general revenue funds for them: \$10 million.
4. Using school transportation more efficiently: \$5 million.
5. Spreading the proposed fourth year of increases in the school aid formula over the next two years, perhaps limiting the increase or decrease to 12% per

cent for any district: \$80 or \$90 million.

"I do not propose cuts in any mandated programs — such as special education or bilingual education, where public schools have been told they must provide the services," Dr. Cronin said.

"Reductions should come from those programs that are optional offerings by schools," he noted that the State Board of Education is addressing itself to educational finance policy and that he and the board are seeking ways in which to reform the state aid formula for schools.

Among the changes advocated are:

- (1) Current funding of programs, rather than year-to-year funding; (2) consolidation of the dozen separate grant programs and reductions of "red tape"; (3) Requiring that funds be economically managed and accounted for by comparable methods.

(4) Restoring incentives to reorganize school district units into more economical and efficient sizes; and

Law Day ceremony

The Madison County Bar Association will sponsor a ceremony Monday in observance of Law Day 1976. The ceremony will begin at 10 a.m. in Courtroom 3 at the Madison County Courthouse in Edwardsville.

During the ceremony, the Liberty Bell Award will be presented to a member of the community who, during the past year, has been outstanding in attempts to encourage greater respect for law and the court system.

The Ladies Auxiliary of the Madison County Bar Association will serve refreshments. The public is invited to attend.

The Way It Was —

April 22—Britishers in Sudbury (toast to the success of the King's army after burning the American Gazette, an anti-British paper, in effigy).

April 23—George Washington writes to the Continental Congress trying to procure pay for his aides-de-camp that is "equal to their trouble and confinement."

April 24—Thomas Paine writes that America, once it is under self-government, can be "as happy as she pleases; she hath a blank sheet to write upon."

April 25—George Washington orders his officers to put a stop to injuries done to farmers by the soldiers "passing over and trampling upon the new growth."

April 26—Virginia militiaman John Page tells Thomas Jefferson that the citizens should be commended in the various Colonies for maintaining order in lawless times.

April 27—The first division of Hessian troops prepares to sail for America, according to a report from Lord Germain in London to Gen. William Howe.

Revenue sharing funds for area

Quad-City area municipalities and townships will receive federal revenue sharing checks totaling \$246,219 July 1 and will receive a total of \$516,590 in checks received Oct. 1 and Jan. 1, U.S. Congressman Melvin Price (D-East St. Louis) announced Monday.

Price released the figures representing the final payment of the sixth entitlement period, and the total expected during the seventh entitlement period.

Price noted that Madison County municipalities and townships will receive \$1,270,794 during the seventh entitlement period covering July 1 through Dec. 31, 1976, while the Madison County government will receive \$450,017.

St. Clair County will receive a total of \$2,859,417, Price noted. He represents the 23rd Congressional District of Illinois which includes both counties. Revenue sharing is distributed according to population.

He noted that since revenue sharing was enacted in 1972, more than \$30 billion has been distributed to state and local governments. The seventh entitlement period is the latest authorized by the federal government and is the first which covers a six-month period. All previous entitlement periods have covered one year each.

Many local governmental units are appropriating revenue sharing for a full year, depending upon further funds being approved by Congress.

Rep. Price repeated his continued support for the revenue sharing program. "The revenue sharing program has afforded many communities opportunities that were previously financially impossible. It has become an important part of the community budget strategy and the program has my full support," Price commented.

A breakdown of revenue sharing to be received by local areas follows:

Granite City, \$115,586 on July 1 and \$257,255 during entitlement seven; Madison, \$29,675 on July 1 and \$51,704 during entitlement seven; Venice, \$27,985 on July 1 and \$57,980 during entitlement seven, and Ponton Beach, \$4,370 on July 1 and \$8,479 during entitlement seven.

Townships will receive July 1 and for entitlement seven, \$1,340,000; Chouteau Township, \$7,390 and \$16,616; Granite City Township, \$50,267 and \$75,415; Nameki Township, \$13,494 and \$29,663; Venice Township, \$11,100 and \$19,478.

The entitlement seven appropriation is expected to be received in two checks for half the total each, one on Oct. 1 and the last about Jan. 1.

The Madison County government will receive \$299,575 July and \$450,017 during entitlement period seven.

Discussions on nursing home placement held

"The Social Service Department of St. Elizabeth Hospital, Granite City, has recognized a need concerning the patient and his or her family in nursing home placement."

The Social Service Department of St. Elizabeth Hospital, Granite City, has recognized a need concerning the patient and his or her family in nursing home placement. We find that many patients and families view placement into nursing homes with anxiety and confusion," a spokesman said today.

"To deal effectively with nursing home placement, we have decided to offer discussion groups for the patient and his or her family. These groups will attempt to explain and answer any questions the family and patient have concerning nursing home placement and transfer," the spokesman added.

"The goals of this group are to make a smooth transfer from the hospital to an appropriate facility for the patient; to provide an opportunity for the patient and family to discuss their feelings concerning their discharge plans."

"People from the Quad-City area having questions about nursing home placements are invited to attend this group which meets each Wednesday at 7 p.m. in the Floor 3 doctors' solarium of St. Elizabeth Hospital."

Railroad values up

Railroads in Madison County have been assessed for a total of \$17,109,084, representing the first increase in railroad property valuations in many years, according to a report this week by County Clerk Evelyn Bowles.

The assessment was certified to the county clerk's office by the Illinois State Department of Local Government Affairs which makes all railroad and capital stock assessments.

The \$17,109,084 valuation is an increase of \$672,425 over the \$16,436,659 assessment last year. The new assessment is for the 1975 tax year on which tax collections will be made this year.

New railroad assessments in the county, compared with last year's valuations, included:

- Alton and Southern \$912,094, up from \$384,755 last year;
- Chicago and Eastern Illinois \$405,836, up from \$320,404;
- Chicago and Northwestern \$580,411, up from \$579,386;
- Burlington, Northern, Inc. \$464,921, down from \$535,350;
- Illinois Central Gulf (GM&O) \$1,181,227, down from \$1,527,652;
- Illinois Central Gulf (IC) \$598,975, down from \$788,406;
- Illinois Terminal \$4,539,492, up from \$1,903,942;
- Penn Central (NYC) \$1,991,491, up from \$1,345,764;
- Norfolk & Western (NYC and S.L.) \$1,351,220, down from \$1,744,070;
- Norfolk & Western (Wabash) \$1,678,580, down from \$1,926,350;
- Terminal Railroad Association \$2,059,073, down from \$2,732,852.

Harold Karandjeff to new bank post

Harold F. Karandjeff, formerly of Granite City, is now president and chief executive officer of the New Canaan Bank and Trust Co., New Canaan, Conn., which opened Monday. Karandjeff was administrative director of the Bank Administration Institute which has a membership in the United States of over 3,000 banks.

He formerly was president of the American National Bank here. A graduate of Granite City High School, he formerly lived at 2412 Edison Ave. and is the son of Henry D. Karandjeff, chairman of the board of the Granite City Trust and Savings bank and the American National bank, both in Granite City.

A 1941 graduate of Westminster College (Pulmon, Mo.), Harold Karandjeff was a bank systems specialist and later territory manager of accounting machine sales for the National Cash Register Co., for which he worked 15 years prior to the opening of the American National Bank.

There are six branch banks in New Canaan which is located 50 minutes from Wall Street.

"I am impressed by several things as I take up my duties

HAROLD KARANDJEFF

with the New Canaan Bank and Trust," he said. New Canaan, and this region, are known nationally for civic stature, cultural and educational achievement and a most attractive living and recreational atmosphere.

"We want to make the bank an institution that does honor to New Canaan as almost 40 of our citizens own the bank. We are looking forward to playing our part in this great community," Karandjeff said.

Communion breakfast Sunday

Dr. Felicia Koch will be the guest speaker at the ladies communion breakfast at St. Elizabeth Catholic Church, immediately following the 8 a.m. mass Sunday.

Plans for the event were completed at a meeting of the Altar Society on Tuesday evening, conducted by Mrs. Mary Blankenship, president.

Fifty members were present and agreed to attend the Plantation Dinner Theater at 6 p.m. June 11, to see "Never Too Late."

Mrs. Jean Beatty announced the annual May Fellowship celebration brunch will take place May 7 at the First United Presbyterian Church. The sponsorship of Quad-City Church Women United.

Other reports were given by Mrs. Rosalie Bronthauer and Mrs. Agnes Friedel.

Mrs. Lee Reilly served as chairman of the hostess com-

mittee. The hall was decorated in red, white and blue motifs. Assorted pies and cakes were served.

Sister Rosella's second grade won the parents' attendance award. Other prizes were presented to Mrs. Joyce Gasparovic and Mrs. Mary Olsendorf.

Hope Lutheran to host guild meet

Hope Lutheran Church, 3715 Wabash Ave., will host a Mission Guild luncheon meeting at noon Monday, 10, according to Frances Dynoff, publicity chairman.

Features, speakers at the 1 o'clock meeting will be Don and Diane Kovac, Lutheran Bible translators. Each person planning to attend is asked to bring an item to be used for a silent auction which will follow the meeting.

May Fellowship brunch reservations by Monday

Dr. Sylvia Sorokin, the guest speaker at Church Women United's May Fellowship observance to be held on Friday, May 7, at First United Presbyterian Church, has selected as her topic for presentation, "How to Give a Man Your Way."

A former professor at the Washington University School of Business, Dr. Sorokin currently is a nationally known consultant in public relations, lecturer, radio personality and frequent television talk show guest.

Dr. Sorokin's talk will be preceded by a 10:30 a.m. brunch under the direction of Mrs. Helen Johnson, Mrs. Helen Johnson, Mrs. Helen Johnson and Mrs. Ernest Viehl.

As has been the custom in the past, those attending share in the preparation of the brunch by preparing a portion of the meal. Since a "brunch" is a composite breakfast-luncheon meal, any food appropriate for either is acceptable.

Tickets may be purchased for \$2 from any Church Women United representative, or by calling 931-0420. Reservations must be reported to the ticket chairman, Mrs. Sharon Rush, by Monday.

According to Mrs. John Gordon, coordinator of the days of celebration, there also will be a Fellowship of the Least Coin Dedication at the observance. Donations derived from the ticket sales are used to help defray the operating costs of the various community projects the group has undertaken, a CWU spokesman said.

Radio team dance Saturday at VFW

Plans were completed for the first annual dance of the Citizen Band Emergency Radio Team (CERT), scheduled at 9 p.m. Saturday at the VFW Hall, 211 Street and Washington Avenue.

The CERT's business meeting held this week at the Granite City Civil Defense headquarters.

The public is invited to attend the dance and tickets, costing \$3 each, may be purchased in advance from team members or at the door Saturday night.

The ticket price includes free beer and setups, CERT officers said.

Music for dancing will be furnished by the Eddie Beers Band of St. Louis, featuring vocalist Patty Whitell.

REVIVAL SERVICES AT APOSTOLIC CHURCH

The Rev. Grace Sparks, pastor of the Apostolic Church of Jesus Christ, 224 State St., Madison, has invited the public to attend a revival now in progress each evening at 7:30 on the church.

Leading the services are the Rev. Calvin Harris of Collinsville and Evangelist Harry Gable of Cadet, Mo. The song leader is Nettie Fulkerson.

WORKING WOMEN'S STYLE SHOW AT SHOPPING AREA

A collection of spring styles to wear on the job, no matter what one's occupation, will be featured in a special fashion show for working women at 7:30 tonight and 8 p.m. Friday in the center court at St. Clair Square Shopping Center in Fairview Heights.

Basic wardrobe pieces will be spotlighted in the show, in which most stores at the center will take part. Free gifts also will be distributed to patrons.

Steel plant (Continued from Page 1)

the steel industry. The operation of a blast furnace requires several tons of raw materials to make one ton of pig iron.

2. Their products are heavy and bulky also, and usually must be further manufactured or assembled before they are passed on to the customer.

3. They require much power.

4. They require extensive railroad sidings and terminals connected with a large railroad.

5. They usually require large amounts of heavy materials and shipment of products, from and to various parts of the country, are fundamental to heavy industry.

6. They usually require large acreage. The storage, processing and handling of large amounts of heavy, bulky materials necessitate an enormous arrangement of mechanical equipment, such as boilers, furnaces, derricks, traveling cranes and conveyors.

In many such industries the layout is so extensive that a private railroad is used to connect different parts of the property. As a result, a large amount of land is vital to successful performance.

Obviously, such land must be obtained at relatively low cost, or the overhead for land will militate against the success of the company.

6. They usually require a large supply of water, relatively free from injurious minerals.

7. They require a large supply of labor.

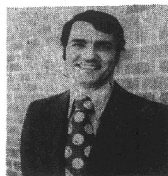

8. They usually require a strategic market location.

The Niedringhaus brothers considered it feasible to move their company to the Illinois side of the Mississippi River. It possessed many natural location advantages, and features favorable to heavy manufacturing were well distributed in this section.

In addition, the decision to utilize industrially the Illinois outskirts of St. Louis was based not only on most of the factors which commonly operate but upon special economic advantages over St. Louis.

Some of the advantages of Granite City over St. Louis were those which the periphery of any large population center might possess:

1. Inexpensive land: The cost of a site for an industrial plant was from one-tenth to one-fifth as much as it was in St. Louis.

REV. GENE DIXON

Revival Sunday at West 22nd Baptist

The Rev. Gene Dixon of New Market, Tenn., will conduct the spring revival at West 22nd Street Baptist Church beginning Sunday and continuing through May 9, according to the pastor, the Rev. Leroy Geiger.

A former member of the local church, the evangelist attended ministry school at Fayetteville, Ark., and Baptist College, Walnut Ridge, Ark., and has pastored at Fisher, Ark.

Rev. Geiger said Hollis Bruce will be in charge of the music during the revival and the public is invited to attend the services.

SUFFERS HEAD INJURY

Otto Wickam, 62, of 2386 Denver St., was injured seriously when he was struck on the head with a baseball bat at his home at 5:10 p.m. Tuesday.

He went to St. Elizabeth Hospital where 15 sutures were administered to close a cut to the rear of his head. He was transferred to Firmin Desloge Hospital, St. Louis.

In addition, it was noted and did not require costly grading.

Large tracts were available much closer to the St. Louis business district than could be found on the western outskirts of St. Louis.

2. Water and railroad facilities: While St. Louis was a railroad center, the St. Louis belt lines served equally the Illinois side of the Mississippi and, in fact, some people anticipated that Illinois cities would become a greater railroad center than St. Louis.

In addition, the Mississippi River provided a natural waterway at the door, so both sides enjoyed adequate shipping facilities.

Tavern licenses in GC cut to 38

An ordinance amending the city's liquor control law to limit to 38 the number of tavern licenses allowed in Granite City was approved by the City Council Monday night.

The amendment changes the original maximum of 52 allowable tavern licenses, but does not affect the number of package liquor licenses or club licenses.

The change will permit a total of 53 licenses of all types, in-

cluding the 38 tavern licenses, seven licenses for package liquor stores and eight club licenses.

The new tavern license limit has been under study by the City Council since last December.

Mayor Paul Schuler told the council that the city now has 38 licensed taverns and that the amendment will prevent further applications for additional licenses.

TOURNAMENT OPENING PITCH is delivered at Wilson Park by Granite City Mayor Paul Schuler, starting GCHS South's second annual four-school round-robin baseball series. Competing were GCHS North and South, Johnston City, Ill., and Blytheville, Ark.

PUBLIC OFFICIALS participate in opening ceremonies at Wilson Park at a four-school baseball tournament hosted by GCHS South. George Moore, a Granite City School Board member representing new President Thomas G. Miosky, starts a swing of the bat at Mayor Paul Schuler's pitch. Henry Gabriel, Granite City Park Board president, serves as catcher.

DISTRICT AWARD RECIPIENT. Joseph Fedora, Granite City community unit schools' athletic director, is the 1976 honoree as outstanding athletic director. He was presented the award in Chicago for eight-county IADA District 15 during a convention of the Illinois Athletic Directors Association. (Press-Record Photo)

Joe Fedora named as schools' outstanding director of athletics

Joseph Stephen Fedora, now in his ninth year as Granite City School District athletic director, has been honored as outstanding athletic director of the Illinois Directors Association. A 1948 graduate of Granite City High School, now GCHS South, Fedora had an active sports career before assuming his present position, succeeding Richard "Dick" Yates. In high school, he was a three-year letterman in tennis and a two-year letterman in wrestling.

Majoring in physical education at Southern Illinois University at Carbondale, Fedora played tennis in 1950 and baseball in 1951, and participated in the Saluki's make program all four years. Upon graduation from SIUC, he coached sophomore football and varsity wrestling and golf at Morgan Park Military Academy, and then returned to his college alma mater as assistant football coach.

While he was head coach, Fedora's nine posted a record of 177-81-3 and won the Southwestern Conference crown twice, district honors six times, regional competition four times and a sectional championship once, as well as the No. 2 finish statewide. He has officiated at high school basketball and wrestling, and is presently chairman of the physical education committee at the Tri-City Area YMCA. "I believe," says Fedora, "one of my highlights as school district athletic director was the initiation of astate certified athletic training program here headed by Randy Biggerstaff. He is only one of four statewide."

He and his wife, Evelyn, have three children, Joanne, 18, Jay, 17, and Jeff, seven. FIRE DAMAGES GARAGE Fire, believed started by children playing with matches, caused about \$50 damage to the garage of Deloris Brassfield, 2239 Fourteenth St., last week. Granite City firemen required 15 minutes to extinguish the flames.

Park softball leagues — including state champions, as usual — to begin season

More than 2,200 area softball players will participate in the season in the Granite City Park District's 18-league softball program, with games to be held at three locations — Wilson Park, Worthen Park and West Granite Park — beginning Monday.

A total of 114 teams will participate in league competition. There are 11 men's leagues and seven women's. Defending women's slow-pitch state champion Petriello Produce is among those entered in Class SA competition. A member of the Illinois Amateur Softball Association which boasts more than 66,000 adult teams and 300,000 youth teams in the United States,

Granite City has produced a number of state championship teams since 1953. In 2A men's competition, Granite City won the state title three straight years, 1963-64-65, and in Class A men's play local squads captured state championships in 1959 and 1960.

Since inauguration of a women's slow-pitch series in 1969, Granite City teams have been undefeated in state tournament competition — Schreiber's in 1969, Mercer's (1970-71), Rebels 1972, and Petriello Produce 1973-74-75. The 1976 season-opening schedule follows: MONDAY, May 3 Men's 5A League (West Granite Park)

Warriors beat county record

Alton High School's Redbird athletes claimed first-place finishes in nine track and field events here Tuesday, including all but one field event, to capture a third straight Madison County meet in Red Division competition (75) or more enrollment) at GCHS South.

Edwardsville took second place, trailing Alton by 40 points (96-56). GCHS South fourth with 49 and Collinsville next with 56 points.

In Green Division competition (750 or less enrollment), Highland topped the field with 71 points while defending division titlist Roxana placed seventh with five.

Wood River was second with 48 points, Madison third with 47, St. Paul of Highland fourth with 43, Bethalto fifth with 39 and Triad sixth with 35. Roxana and Marquette of Alton did not earn points.

Only one Red Division record

fell, and no prior records were snapped in the Green Division. South High's two-mile relay squad of Frank Holmes, Don Meagher, Mike Colhern and Joe Ward completed the event in 8:24.3, breaking an 8:29.8 mark set by the Warriors in last year's meet.

Coach Harry Lang's Steeler team won two events, and second-place finishes in five other helped boost North to its third-place finish.

North winners were Bruce Jateff 330-yard low hurdles in 41.3 seconds and Mike Baker mile run in 4:30.2.

Baker took runnerup honors in the two-mile run in 9:38.

David Kwiatkowski was second in the 120 high hurdles in 15.6, and Fred Clay placed second in three events—100 dash 10.5, 220 dash 22.3 and triple jump 42.24.

South athletes won four events and finished second twice.

Other than the two-mile relay

Reservations for six lighted tennis courts

The Granite City Park District tennis court lights will be turned on starting Monday, May 3.

Tennis courts are reserved

Monday through Friday, from 5 p.m. until 10 p.m. Reservations are for working high school students over 16 years of age through adults.

Those reserving courts must be residents with Granite City Park District identification cards presented to the park police officer on duty. Players are limited to one reservation per day.

Reservations can only be made at courtside in person by the player on the evening he wishes to play. Reservations can be made after 4:45 p.m. Court time for those making reservations will be limited to one hour.

All persons using Wilson Park Courts must wear tennis shoes, and the district reserves the right to cancel reservations in the event of rain, tournaments or park tennis lessons.

Six courts are located in Wilson Park. Other courts in the area where reservations need not be made are at Granite City High Schools South and North and at Stearns Park, Ames and Franklin Avenues, a park official noted.

RUSICK WINS MATCH
Freshman Bill Rusick of Granite City was the only Cougar singles player to win his match, 6-3, 6-4, as SIUE lost 6-3 to SIUC in a meet Monday at Carbondale.

24 schools in GC track invitational

Twenty-four metropolitan high schools will converge on the Granite City Stadium at GCHS South Saturday to participate in the fourth annual Granite City invitational track and field meet, beginning at 10 a.m.

Following a format similar to this week's Madison County meet here, competition will be divided into two classes—large schools of more than 750 enrollment and small schools of 750 or less enrollment.

Large schools competing here are Belleville East, GCHS North, Belleville West, Edwardsville, Collinsville, Quincy, Cahokia, Centralia, GCHS South, Lindbergh of Missouri, Mount Vernon, Wood River and Mascoutah.

Lindbergh will seek to defend its title again; the team won in both 1974 and 1975.

Last year, Edwardsville was second, Mount Vernon third, Belleville West fourth, North fifth and South sixth.

New records will be sought in 14 events in the large school competition. The records are: two-mile relay—Lindbergh 12:3 in 1974; 120-yard hurdles—Belleville West 14.9 seconds in 1973; 100 dash—GCHS South's Greg Becker 10.0 in 1973; 800 relay—Edwardsville 1:33.1 in 1974; 440 dash—Mount Vernon 31.5 in 1975; 330 low hurdles—GCHS South's Tom Schooley 39.8 in 1975.

100 dash—Lindbergh 10.8 in 1974; mile relay—Mount Vernon 3:29.3 in 1975; shot put—GCHS South's Brad Hiles 35-7/8 in 1973; discus—Lindbergh 160-3 in 1975; high jump—Lindbergh 6-3 in 1974; long jump—Edwardsville 22-5 in 1974; triple jump—Belleville West 43-1 in 1974; and pole vault—GCHS North's Bob Sampson 14-1 in 1975.

Vianney of Missouri will seek its second straight team title in small school competition.

Lebanon won in 1973 and 1974. Competing in that division also will be Red Bud, St. Louis Hancock, Freeburg, Madison, Herculaneum, Christian Brothers College of St. Louis, St. Paul of Highland, St. Louis Prep North and Waterloo.

Lebanon finished second behind Vianney in last year's meet, and Madison's Trojans were third.

The Lebanon Greyhounds are holders of three small school records: two-mile run Craig Virgin 8:59 in 1973, 800 run Don Burns 1:56.4 in 1975, and mile run Virgin 4:13.3 in 1973.

Steeler nine suffers losses on enemy fields

Mater Dei High School's baseball Knights of Breeze hosted GCHS North Tuesday, pushing across three runs in the fourth inning and two more in the fifth to highlight a 6-3 win.

The Knights collected 10 hits and made one error while North had six hits and made four errors.

Steeler Chris Page pitched five innings, being relieved by Mike Germanceri.

North High scored in the second when Larry Schleicher drew a walk, Kevin Hayes singled, Greg Corey tripled in both and an infield hit by Mike Davis drove in Corey.

Mater Dei scored one run in the third.

Collecting hits for the Stealers were Dave Goodyear, Hayes, Davis, Schleicher, Gary Paul and Corey.

Schleicher spun a four-hitter Wednesday at Assumption, striking out seven and walking only two, but misjudged flyballs overcame North, 2-1.

The six Steeler hits were by Page (two) and Schleicher, Hayes, Goodyear and Jody Faloni. There were two North errors and one by the Pioneers. Assumption took the lead in the third on a walk, stolen base, sacrifice and pop fly single to centerfield.

two-out double over the rightfielder's head.

The deciding run in the last of the sixth resulted from a fly dropped in rightfield and a two-base hit.

Schmidt signs
Thomas Schmidt, who scored 1,452 points for the Gibault High School basketball team during his prep career, has signed a letter of intent to enroll next fall at Southern Illinois University at Edwardsville, the Cougars' head coach, Jim Dudley, has announced.

"He's a fierce competitor, a top student (3.4 on a 4.0 scale), and works hard at improving his game. He will probably play at a wing position in our offense. He's the type of player who can fit into our style of play very well," Dudley said.

NEW RECORD run is started here by GCHS South's Frank Holmes, at right, enroute to the school's two-mile relay squad's record-shattering finish with a time of 8:24.3 at Tuesday's Madison County track and field meet here. The former record of 8:29.9 was set last year by South's squad. The baton being carried by Holmes was passed in succession to Don Meagher, Mike Colhern and Joe Ward.

TROJAN VICTOR. Madison's Von Dee Walker (left foreground) won this 220-yard dash preliminary event with a time to 22.2 seconds, and later finished second in county meet finals here Tuesday in 24.2 seconds.

Jazz concert with Bicentennial theme

All-American music, jazz and Dixieland will be featured in a special Bicentennial salute concert at Southern Illinois University at Edwardsville Monday, May 3.

The "Old Guys Annual Bicentennial Concert" with the SIUE Concert Chorus and guest artists will be presented in the University Center

Meridian Hall at 8:15 p.m. The Old Guys, a jazz band composed of SIUE professors, is directed by Dan Havens, an English professor and concert player for the group.

Other members are: Joan Kittrell, assistant professor of English; piano and vocal; Jack Aides, professor of English; banjo; Warren Brown, acting

executive dean of student affairs; clarinet; Bill Feeney, associate professor of social sciences; piano; James Hansen, assistant professor of business; drums; W. Dean Wiley, professor of education and chairman of the Presidential Search Committee at SIUE; trombone; and Ray Hesel, associate professor of education; bass.

The Old Guys will perform a selection of traditional New Orleans jazz which will include "Fifty Feet" - by Nick LaRocca, professor of English; Copeland; "Happy Land," a southern folk hymn; and

"Pearls" by Jelly Roll Morton. "Black and Tan Fantasy" by Duke Ellington and "Maple Leaf Rag" in a special band arrangement.

The 60-voice SIUE Concert Chorus, under the direction of Leonard Van Camp, professor of music, will perform a selection of American music from the nineteenth century. This will include "Ride on King Jesus," a spiritual from an Alice Parker - Robert Shaw arrangement; "Ching-a-ring-a-ring," a minstrel song by Aaron Copeland; "Happy Land," a southern folk hymn; and

Stephen Foster's "Beautiful Dreamer." "Happy Land" and "Beautiful Dreamer" will be performed from special arrangements by Van Camp.

The Concert Chorus and Old Guys will combine talents in several spirituals, including "Down by the Riverside" and "Just a Closer Walk with Thee," which will feature Joan Kittrell as vocalist and pianist. The "St. Louis Blues" will be performed in a special arrangement by Warren

Brown. The Chorus and Old Guys will also join together in "When the Saints Go Marching In."

Guest artists for the concert will include some top banjoists from the St. Louis area, John Becker, Bob Grimm, Dan Bolt, Art Stolz, Al Stricker and Doug Maddox will be featured.

Other guests will include Ed McKee on tuba and the Old Guys rhythm section.

The concert, sponsored by the SIUE University Club, will kick off a week of activities to celebrate the U.S. Bicentennial

at the university. Tickets are \$2.50 per person and may be purchased at the door.

Following the concert, and "after glow" jam session will be held at the Cotton Bowl Pump Room in Glen Carbon. All members of the concert audience are invited.

Proceeds from the Old Guys Annual Bicentennial Concert will go to the National Ragtime and Jazz Archive at SIUE. The archive will be officially dedicated on May 7.

Information kit on food safety

As the home canning season approaches, Cong. Melvin Price (Dem., 23rd Ill.) has announced the availability of a "Food Safety, 1976" information kit.

Rep. Price said that the kit contains a number of informational brochures prepared by the U.S. Department of Agriculture on drying, storing and cooking fresh and frozen foods. The kit may be obtained by contacting Rep. Price's office at 2466 Rayburn Building, Washington, D.C. 20515.

Cong. Price also released Department of Agriculture statistics on the home canning lid supply for this year. More than four billion replacement lids will be available in 1976, almost double the amount found in stores last year, according to the Department of Agriculture, Rep. Price said.

The increase in production has included all sizes of lids normally used in home canning and will be available in concentrated shipments as the canning season draws nearer.

A 1970 graduate of Assumption High School in East St. Louis, the airman has studied at St. Benedict's College in Atchison, Kan.

Completes Navy recruit training

Navy Airman Recruit Terrence E. Taylor, son of Mr. and Mrs. George A. Taylor, 15 Paul Drive, has graduated from recruit training at the Naval Training Center, Orlando, Fla. Classes included instruction in seamanship, military regulations, firefighting, close order drill, first aid and Navy history. A 1975 Granite City high school graduate, he joined the Navy in December 1975.

Hits parked truck

Miss Carol McGovern, 18, of 3125 Edgewood Ave., was treated Monday at St. Elizabeth Hospital for injuries suffered in an accident on wet pavement at 5 a.m. Sunday in the 2900 block of Dogwood Drive when her southbound auto struck a parked Amco Plumbing Co. truck.

She suffered pain to her neck and was released after x-rays were taken.

Madison County March of Dimes officers reported this week that three all-expense paid trips will be presented to those walkers who contribute the most donations through walkathon projects within the county.

First place is a Bahama cruise for three days for two people to Nassau in the Bahama Islands, donated by Dick Elterman, vice-president.

Second place receives a three-day holiday for two at Saddle Pocket Ranch in Slater, Colo.,

which includes horseback riding and all ranch activities, courtesy Don Bain, owner.

Third place is a visit to Vail Village Inn, Vail, Colo., for three days and two nights, also for two people. Activities include golf, swimming, tennis, fishing and horseback riding.

The all-expense paid trips include meals and air fare, county March of Dimes leaders said.

After gathering before 1 p.m. Sunday at the Wilson Park rink starting point, the walkers will travel a route with checkpoints

Fehling Road to Granite City: High School South property; across to Jill Avenue and its intersection with St. Clair Avenue to St. Margaret Mary School (checkpoint 2); east on St. Clair to Maryville Road and south to Terminal Avenue; west on Terminal to Victory Drive and Marshall School (checkpoint 3); along 27th Street to Madison Avenue; south on Madison to 22nd Street; east to Lee Avenue then south on Lee to 20th Street; west on 20th to Granite City Steel (checkpoint

4); continuing west on 20th to Adams Street; north on Adams to 21st Street and east to Memorial Park at Niedringhaus and Madison (checkpoint 5); north on Madison to 27th Street and west to State Street; north on State to 29th Street and across park property to the Wilson Park ice rink.

Walkathon officials will be stationed at each checkpoint to aid those wishing to terminate their walks. "Poop-out" trucks also will be available along the route and at the specific checkpoints, Mrs. Herring said.

THEFT FROM TRUCK
Items valued at a total of about \$1,100 were stolen from the truck tractor of Richard Martin, Westminister, Calif., parked at Mick's garage in Mitchell, it was reported last week. Stolen were a radio, a fan, a mattress, a fire extinguisher, a muffler and exhaust pipes, the alternator and the rear window defroster.

State's cash balance is near zero—Comptroller

A one per cent estimating error in the governor's budget figures on spending and income during fiscal 1977 (July 1976-June 1977) could plunge the state's operating fund balance to zero by October, Comptroller George W. Lindberg has warned.

"The governor's 1977 budget

appears to be \$50 million too high on anticipated income and \$50 million too low on public aid spending requirements," Lindberg estimates.

"For the first time in many years, the impact of a tiny estimating error can push the state into a crisis more severe than the financial pinch we were in last fall," Lindberg said.

"The legislature no longer has the luxury of a margin for error. The state has spent its 'rainy day' savings account. 'We must live within our means during the next fiscal year, or we may face either emergency borrowing or a tax increase, both of which I oppose. The practice of the past 21 months of spending more than we take in is no longer possible.'"

In his monthly fiscal report, distributed to all General Assembly members and other state officials, Lindberg continued his warning that the 1976-77 budget is at least \$100 million out of balance.

"I have urged the legislature to either chop out that \$100 million in proposed spending or, if those cuts cannot be made,

come up with the added money," Lindberg said. "We cannot realistically support more than \$5.9 billion in spending from the state's present income sources."

Beginning in September 1975, the state has had insufficient money in its general funds, which underwrite day-to-day spending and grants for schools and welfare, to pay all its bills promptly.

"The situation forced the governor to pump up the general funds balances by clearing out all the state's pigeon-holed accounts," the comptroller said.

To clarify the question of which bills are paid first in the event of a severe and extended cash shortage, Lindberg said, he will introduce legislation this session asking the General Assembly to establish payment priorities by law.

The comptroller also reported: The largest spending increases during the first nine months of this fiscal year over last were: Department of Public Aid, up by \$160 million; State Board of Education, up \$99 million; Department of Revenue, up \$29 million.

The state spent \$270 million more than it received during the first nine months of this fiscal year, which began last July.

The cash balance in the general funds at the end of March was \$37 million, down from \$257 million a year ago.

Nasir, Horizal candidates for student offices

Student government elections will be held May 5 and 6 at Southern Illinois University at Edwardsville. President, vice president, student member of the SBU Board of Trustees, and a board of student senators will be chosen from 25 candidates to be officers for the 1976-77 school year.

Students running for the office of president are: Beverly Lewis, junior from Belleville; Scott E. Luster, senior from Edwardsville; Russell Pirtle, sophomore from East St. Louis; Laura L. Ricci, senior from Edwardsville; William M. Sheid, senior from Belleville; and Gene Summers, junior from Springfield.

Those running for vice president are: William Fielding, junior from Belleville; and Peter Nasir, senior from Granite City.

Students seeking the five positions of senator are: Henry Lee Ballard, a junior from East St. Louis; Ralph Collins, senior from East St. Louis; Antonio Giamanco, junior from Edwardsville; Bob J. Holder, junior from Edwardsville; Teresa Miller, junior from Collinsville; John Mudge, senior from Edwardsville; Monica Olasowski, junior from Waterloo; Bill Tope, junior from Wood River; John S. Packer, junior from Alton; and Loren G. Watt, sophomore from Edwardsville.

TRUCK BURGLARY
A citizen band radio valued at \$169 was taken from a truck owned by James Hadley, 30 Lockhaven Drive, and parked in the rear of Eddie Confectionery, 23rd Street and Washington Avenue, it was reported during the weekend. Entry was gained by breaking the left wing window, according to the report.

Employee insurance with a surprising difference.

Country Life's new Employee Insurance Benefit Package provides the kinds of life, health and disability income coverage that you usually find in group policies at big corporations.

But it's specially tailored for business with 2 through 50 employees. Whether your business is a farm or a factory, ask your Country Companies agent if your business qualifies for this new Employee Insurance Benefit Package. It's got the kinds of differences you don't want to pass up.

The Country Companies. We're a little different than most insurance people.

SECRETARY OF THE YEAR award is presented to Mrs. Lana Randolph, center, at the Tri-Cities Chapter, National Secretaries Association, dinner dance. On left is Mrs. Joyce Savich, last year's honoree, and at right is Mrs. Sharon Rediger, chairman of Secretaries Week.

Secretaries fete Mrs. Randolph

Mrs. Lana Randolph was selected as "Secretary of the Year" by members of the Tri-Cities Chapter, National Secretaries Association, and honored at a dinner dance held last week at the Sunset Hills Country Club. The event was among the activities marking Secretaries' Week.

The honoree is secretary to John Paul Davis, who is employed in the legal department of Southern Illinois University at Edwardsville.

Mrs. Randolph is the mother

of two daughters and resides in Caseyville. She has been a member of the local chapter for four years.

The week-long activities concluded with a luncheon in the home of Mrs. Helen Christ.

Mrs. Sharon Rediger, a secretary at St. Clair County Farm Bureau, Belleville, served as chairman of the annual event. She was assisted by Mrs. Betty Borsch, Mrs. Marabeth McConnell and Mrs. Christ.

State auxiliary meet set

Mrs. Betty Lyons, president of Eagles Auxiliary, announced an election of officers will be held at the May 11 meeting and Mrs. Angie Buehler reported on the Northern Zone Rally held in Rock Falls, Ill., at a meeting of the group last week.

A discussion was held on the Illinois State Auxiliary convention to be at the Collinsville Holiday Inn on June 10-12. The local Auxiliary Ritual items will participate in the initiation of new members on June 11 at the convention and the Eagle Aires Kitchen Band will entertain at various events.

New members initiated at a previous meeting included Betty Forshee, Jucinda Lane, Dorothy Hochuli, Betty Ritz, Jackie Watkins and Harriet Juda.

The president said the International convention of the Fraternal Order of Eagles will be in Miami Beach, Fla., July 28 through Aug. 1 and the Illinois Hotel and host room will be in the Lucerne Hotel. Several members of the auxiliary and the ritual team plan to attend, she added.

Birthday honors were ex-

tended to Mrs. Helen Ortolan. Mrs. Lyons also reported the Aerie will serve a Mother's Day dinner to the Auxiliary at 6:30 p.m. on May 11 with a business meeting to follow.

Luncheon was served by Leona Delaloye, Zeta Bequette and Mrs. Ortolan. Prizes were won by Nettie Koehler and Phyllis Soka.

Brownie Troop 621 tours restaurant

Brownie Troop 621, sponsored by McKinley School, toured the Burger Chef Restaurant, 2645 Madison Ave., last week.

Mary Claridge, manager of the restaurant, conducted the tour and served hamburgers and soda to the Brownie's. Those attending were Christi Adams, Alice Snyder, Teresa Warnhoff, Elizabeth Sioklosa, Tana Stewart, Laura Inghram, leader Mrs. Charlotte Warnhoff and co-leader Mrs. Joyce Angie. The girls are presently working on ecology boxes of dried natural flowers as their Mother's Day project.

Buses going to May 16 rally for Equal Rights

"Madison County for ERA" is chartering buses for Sunday, May 16, to transport local residents to a mammoth Springfield rally.

For more information, Quad-Cityans may call Liz Neeley, 877-5783, or Norma Mendoza, 452-7375, the Madison County group has announced.

Women of this region will join marchers in Springfield at 1 p.m. May 16 to support the Equal Rights Amendment. Congresswoman Bella Abzug will speak at the rally.

Buses will leave Fairview Heights, Collinsville, Hannibal, Granite City and Cahokia at 9 a.m. on May 16. Anyone may reserve a seat by sending \$5 to Vicki Sheridan at 123 Juniper, Belleville, before May 1.

The St. Clair-Madison National Organization for Women (NOW) will discuss the ERA at its public meeting at 1:30 p.m. Saturday, May 1, at Lincoln Trail Bank, Routes 159 and 50, Fairview Heights.

NOW members are conferring with State Senators Buzbee, Hall, Donnevaid and Barbus during April. They will petition for ERA within their neighborhoods in the Quad-Cities, Alton, East Alton, Lebanon, Cahokia, East St. Louis, Collinsville and Belleville.

A spokesman noted that the Equal Rights Amendment reads, "Equality of Rights under law cannot be abridged because of sex." ERA has passed the Illinois House of Representatives, and the Illinois Senate is to vote in June. Four more states must pass the amendment before it becomes federal law, the spokesman added.

The rally will bring thousands of Equal Rights supporters

Judith Kieffer is honored at dinner

Mr. and Mrs. Chris Kieffer, 2708 Angela Drive, entertained guests for dinner this week in honor of their daughter, Judith, who was among those confirmed last week at St. Elizabeth Church.

The guest list included Mrs. Edward Koll, godmother of the honoree; Andrew Seiranko Jr., godfather, Mrs. Seiranko and sons, Brian and Kevin; and Mrs. Andrew Seiranko Sr., maternal grandmother.

Also present were Mr. and Mrs. Hugh Clement, Mrs. Richard Ontiveros and Mark and Lisa, Mr. and Mrs. Paul Wood, Mr. and Mrs. Jerry Kiehl, Pamela Pike and Barbara Hudson.

Jason Kieffer, brother of the confirmant, helped to serve as host.

from 31 states to Illinois.

Full-time offices are staffed in Chicago and Springfield to organize the rally, which will draw ERA advocates from as far away as New York and California. The "ERA Freedom Train," with sections originating in New York and Washington, will merge in Pittsburgh to bring 700 to Illinois.

"The rally draws its support from groups representing labor, business, education, politics, religion and the women's movement, making this the largest, broadest coalition ever assembled on behalf of the ERA," Miss Gertraude Wittig of Edwardsville said this week.

"Endorsing are the Coalition of Labor Union Women, the National Organization for Women, National Education Association, American

Federation of State, County and Municipal Employees, National Assembly of Women Religious, American Jewish Committee and League of Women Voters of Illinois.

"Also endorsing the ERA are the Illinois Consortium of Churches, Women Employed, Illinois Women's Political Caucus, Illinois Women's Agenda, YWCA of Metropolitan Chicago, Illinois Federally Employed Women and the Illinois Welfare Rights Organization.

"Also participating are the American Federation of Teachers, Communication Workers of America, United Auto Workers, Brotherhood of Railway Clerks, United Steelworkers, Women Library Workers, American Association of University Women of Illinois and others."

Bicentennial comedy Monday

The Alpha Omega Players, a national touring company, will present "Heroes and Hard Cases," a Bicentennial comedy at 7:30 p.m. Monday at the First United Presbyterian Church, 22nd Street and Delmar Avenue.

An historical comedy revue with music, the show is designed to celebrate the nation's 200th birthday with humor.

Sponsoring the production, which is open to the public, are the host church, Niedringhaus United Methodist Church and St. Peter Evangelical United Church of Christ.

Tickets, priced at \$2 for adults and \$1 for students and senior citizens, are available. For information call 877-1904.

Public concert features WIU Gospel Choir

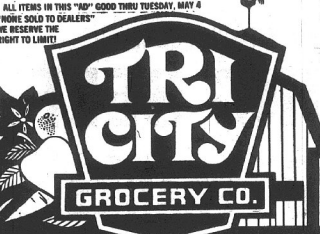

The Rev. Jerome Jackson, pastor of Mount Nebo Baptist Church, 800 Jefferson St., Madison, is inviting the public to a Bicentennial concert, featuring the Western Illinois University Gospel Choir, from Macomb, Sunday, May 2, at 3:30 p.m.

One of the soloists is Wilhemina Watts, a 1975 graduate of Madison High School.

The O'Neal twins and the North Venice-West Madison Community Choir and other guests also will appear.

Admission is free and everyone is invited to attend, Rev. Jackson said.

AFTER 62 YEARS IN THE GROCERY BUSINESS, I GUESS YOU WOULDN'T CALL US A FLASH IN THE PAN... SINCE 1916, WE'VE BEEN FIRM BELIEVERS IN GOOD, OLD-FASHIONED, HOME-SPUN NEIGHBORHOODNESS. We try, in every way, to hire applicants with best records and train our associates to offer you the cheeriest and friendliest food stores you've ever known. We realize, as you do, that self-service stores do lose some of that old time spirit. However, our managers have been long trained in the principles of taking an interest in our customers and making them feel at home. SO WE HOPE TO BE SERVING YOU AND YOUR FAMILIES FOR ANOTHER 62 YEARS, OR MORE!!

North prom is May 15

The annual Junior and Senior Prom, sponsored by the Granite City High School North Student Council, will be held at Stan Musial and Biggie's Restaurant in the Hilton Inn on Natural Bridge Road, St. Louis, on May 15.

"The Long and Winding Road" is the theme for the prom. The colors are yellow and green.

Tickets are on sale in the school office from 7:30 a.m. to 7:55 a.m. at \$23 a couple.

The menu will include: top sirloin of beef, with green beans, amandine, appetizer, dessert and choice of soda or tea.

The prom is scheduled from 7 p.m. until 11 p.m., with John Fornasewski and the Newtons furnishing the music.

Tavern customers contribute \$1,500 to March of Dimes

In excess of \$1,500 was collected this year for the March of Dimes in "silver card" projects at taverns in Madison County.

Customers donated silver coins to fill cards distributed throughout the area. Charles Hester, president of the Madison County Tavern Owners Association, reported.

Hester said the annual contribution will be presented to March of Dimes Foundation leaders at the tavern owners' state convention in September at Springfield.

Most of the funds are returned here to finance March of Dimes programs through the Madison County March of Dimes organization, Hester advised.

24 on honor roll at VHS

Twenty-four Venice High School students were named to the honor roll at the end of the fifth week. Seniors Jack Ballentine, Tami Eck and Peggy Hester maintained a 1.0 straight "A" average.

Other honor students and their averages are seniors Pamela Henry 1.7; Richard Bailey and Deborah 1.4; William Welch 1.8; Carolyn Moore 1.8; and James Crowder and Cort Johnson 2.0.

Juniors Venice Govan and Denise Rankin 1.6; Zorobabel Collins 1.6; and Betty Mulnik 2.0.

Sophomores Tami Boushard 1.6; Carolyn Richmond 1.6; and Barbara Watkins 1.8.

Freshmen Terrance Arnold, John Mulnik and Chris Ponce 1.4; Lori Durer, Mary McGarrahan and Linda Paterson 1.6; and Debra Ware 1.8.

St. Peter School pre-registration

Pre-registration for St. Peter School for the Young Years, 21st Street and Cleveland Boulevard, will be held Monday through Thursday.

A child must be three years of age by Dec. 31 to attend. Registration fee is \$5 and there is a tuition fee of \$2 per day.

A child may enroll for a two-day session held on Tuesdays and Thursdays or three-day sessions, Mondays, Tuesdays, and Fridays. The hours of the school are 9 a.m. until 11:30 a.m.

Medical registration forms and school handbooks are available during the enrollment period.

More information may be obtained by telephoning 877-1904 or the school director, Mrs. Judy Werthe at 931-9762.

Participate in walk for mankind

Two children of Donald and Carol Schneide, 714 Layton Road in the Long Lake area near Route 203, participated in the Walk for Mankind Saturday in St. Louis.

Kenneth Schneide, 11, and his sister, Brida, 9, completed the 21-mile route. With pledges from sponsors for every mile walked, Kenneth raised \$64 and Brida earned \$42, which is used to aid hospitals and provide medical care for needy children in many areas of the world.

Except for blistered feet on Brida, neither child was injured during the walk which took them from 7 a.m. to 5:30 p.m. to complete.

More information may be obtained by telephoning 877-1904 or the school director, Mrs. Judy Werthe at 931-9762.

Riverboat ragtime music, humor slated

An opportunity to relive the ragtime years will be presented by the University Center Board (UCB) of Southern Illinois University at Edwardsville Wednesday, May 5, at 8:15 p.m. The Riverboat Ragtime Review will be an evening with songs, ragtime, piano, banjo and humor from the 1890 to 1920 period.

Frank Siano, program adviser for the UCB, says "Mark Twain" will be the host for the evening. The Review troupe consists of four actors: musicians: Mark Twain, portrayed by David Seals; pianist Al Brune; singer dancer Terri Johnson; and banjoist-singer Ricky Yopp.

"The musical comedy review will take place in a Mississippi riverboat type setting," Siano said. "Because of the nature of Mark Twain and his character, it will include a satire and humor."

Pontoon buys chemicals for sanitary lagoon

Chemicals to control algae and odors will be added to the Quiet Valley Sanitary Lagoon in Pontoon Beach, the Village Board of Trustees decided during a recessed meeting Monday afternoon.

The board previously deferred action on purchasing the chemicals, noting the cost seemed excessive. Several companies were checked and the board Monday decided to purchase 55 gallons of chemicals from Continental Research Corp. at a total cost of \$630.

The board also requested the clerk to advertise for bids on cleaning the storm sewers in the Lakeview Estates area of the village. It was noted the sewers are draining slowly and causing streets to flood.

Opinion awaited on Chouteau audit fee

Ambiguities in laws separating the powers of a township highway commissioner from the powers of the supervisor and town board of the Chouteau Township Board to seek a legal opinion. The opinion will deal with who is responsible for paying for annual auditing of the highway commissioner's financial records.

Chouteau Township Highway Commissioner James Estes earlier informed the board he wished to hire an auditor to audit his books, rather than the same auditing firm used for other township books.

Estes' comment led Chouteau Township Supervisor Walker "Dick" Sparks to ask the town board's attorney, Alan Walker, if it is the responsibility of the town board to hire an auditor for all township accounts, including the highway funds.

Sparks noted that in addition to being the township's supervisor, he also is ex-officio

treasurer of the road and bridge and special hard road funds.

Walker briefly reviewed state statutes on township government and said he feels the town board has "not only the right — they have the responsibility" to hire an auditor for all township accounts. The attorney said he had not studied the issue in depth and called the opinion "a top of my head opinion."

He said he would study it further before the town board's next meeting Monday night.

Auditor Jim Greer said the town board may hire the auditing firm, but he questioned whether the bill for auditing highway department records can be taken from highway funds unless Estes agrees to

sign the warrant for payment. "If he does not sign the warrant, we cannot pay for it (from highway funds)," Greer asserted.

Estes then told the board, "Good: Go ahead and have them audited. It will save me \$600."

Sparks noted the town board has always hired the auditor for the highway department books and Estes then submitted the bills for payment from highway funds.

"Each paid for his own," Sparks said and Walker responded, "I see nothing in the statutes which prohibits each paying for his own."

Sparks said if Estes declines to pay for the audit, an extra \$600 will have to be put into the town fund budget for auditing. He said the new budgets have not yet been prepared and it is not too late to include the extra auditing fee.

Auditor Cletus Bedwell made a motion to hire the R. C. Scheffel accounting firm of Alton to audit all the township's books, including the books of the highway commissioner.

Auditors Wilfred "Bud" Eberhardt and Bedwell voted in favor of the motion and Auditors Marion Sparks and Greer abstained from voting, leaving the decision to Supervisor Sparks. He voted in favor and the motion passed.

Tri-Hi-Y's delay hot dog sale day

Postponement of the Tri-Hi-Y clubs' plans to hold a "Hot Dog Day" project Saturday was announced today.

The project, which was to help finance a trip to a YMCA youth conference in Granby, Colo., in July, will be rescheduled at a later date, Tri-Hi-Y advisors reported.

Steel output tops 3 past quarters

First-quarter domestic raw steel production of 31 million tons fell about three million tons short of first quarter 1975 output, but easily topped the second, third and fourth quarters of last year, one of the industry's worst in years.

The 1975 decline began in April. Full year raw steel production was 116.6 million tons.

American Iron and Steel Institute data this week showed that the decline in the first quarter of this year occurred despite a strong showing in March when output reached 11,269,000 tons for a capability utilization (cu) rate of 85.2 per cent. March 1975 output was 11,380,000 tons.

February 1976 production was 9,907,000 tons. For the full quarter, the cu rate was 79.9 per cent. For the year 1975, the cu rate was 76.2 per cent.

Electric furnace production in this year's quarter was 5,397,000 tons, compared to 7,040,000 tons in the first quarter of 1975.

Production by the basic oxygen process (BOP), the dominant steelmaking method, faltered slightly to 19,485,000 tons from 20,081,000 tons in the same period last year. Open hearth production fell to 5,589,000 tons from 7,305,000 tons in the first quarter of 1975.

The first quarter 1976 production total of 31,010,000 tons compared to output of 29,275,000 in the second three months of 1975, the 26,314,000 tons in the third quarter and the 26,768,000 tons in the fourth quarter.

AISI estimates the domestic industry's 1976 raw steelmaking capability at 159 million tons, up from 153.1 million net tons in 1975.

Sheet and strip steel, the "bread and butter" products used principally by automotive and appliance producers and their suppliers, accounted for 46 per cent of the 6,840,000 tons of finished products shipped by the nation's steel mills in February.

In February 1975, sheet and strip accounted for 34 per cent of shipments by grade.

Automakers consumed 26 per cent of total February shipments or 1,701,000 tons. This represented a 91 per cent gain over February 1975. It followed a pattern of increase from automotive customers which emerged late in 1975.

In the first two months of this year, shipments of steel to the auto sector totaled 3,513,000 tons out of total shipments of 14,000,000 tons. The two-month shipments figure was off eight per cent from the same period in 1975. Automotive shipments, however, climbed 58 per cent.

Shipments to the appliance industry at 144,000 tons increased 35 per cent over February 1975.

Elsewhere, the trend was mostly down.

Steel service centers, traditionally the number three and sometimes number two customer of domestic steel, claimed exactly 10 per cent of shipments, with a tonnage total of just over one million tons. This was a 15 per cent decline from last year. The two-month service centers total was 2,101,000, down 26 per cent.

Shipments of stainless steel in February totaled 76,580 tons, up from 66,680 tons a year ago. For the two months, however, stainless shipments declined six per cent to 146,000 tons.

Foreign steel mill shipments into the United States in February hit 966,000 net tons, sending the steel trade deficit for the first two months of the year to nearly \$300 million.

Government statistics showed little falloff in imports of specialty steel products in February, as stainless steel shipments totaled 12,000 net tons, or 14.3 per cent of apparent domestic supply, and in 1975.

Sheet and strip steel, the "bread and butter" products used principally by automotive and appliance producers and their suppliers, accounted for 46 per cent of the 6,840,000 tons of finished products shipped by the nation's steel mills in February.

In February 1975, sheet and strip accounted for 34 per cent of shipments by grade.

One segment showing an "enormous surge in imports" was pig iron, which increased 71 per cent over February 1975 to 40,900 tons valued at \$3.4 million. This would appear to reflect a continuing excess of ironmaking capacity abroad, relative to demand.

The declared value of imports in February was \$271 million. Exports in the month totaled 177,000 tons valued at \$97 million, which resulted in a net trade deficit of 798,000 tons, or \$174 million.

For the two months, imports of mill products totaled 1,973,000 tons valued at \$851 million. During the same period, exports totaled 327,000 tons, valued at \$193 million, resulting in a deficit of 1,646,000 tons and \$658 million.

The domestic steel industry's employment costs for hourly workers rose about seven cents to \$11.66 per hour in February, a month which saw the number of hourly employees climb about 6,000 to 325,329. The comparison is with January.

Those directly engaged in production of steel also worked more hours than in the previous month, 37.2 per week against 35.8 hours, and were paid higher total wages — \$450,341,000 compared to \$449,064,000.

Total employment costs per hour for hourly employees including fringe benefits were: \$11.66 for February compared to \$11.59 in January, \$11.29 in December 1975, a \$9.08 average for 1974 and a \$10.59 average for all of 1975.

Domestic producers in February paid out \$641,800,000 to all employees receiving wages and salaries. Total employment in the month was 439,700 compared to 433,800 in the previous month.

In the first two months of the year, domestic steel producers paid out \$1,286,549,000 in wages to an average 436,790 employees for an hourly average of \$11.61 for total hours worked of 138,348,000.

Army exhibits at St. Louis business fair

Five exhibits from the Granite City Army Installation featuring solicitations for goods and services with values totaling about \$400,000 were among the exhibits at the St. Louis Business Opportunity Fair held this week at Stouffer's Riverfront Towers in St. Louis.

Bid forms and information on federal government contracts estimated to exceed \$55 million were included in the day-long exhibition.

Contracts available for the local installation cover "various reconstruction and rework projects," according to an Army spokesman.

Trial testimony—for '14, fatal bludgeoning of aged GC woman

The week-long murder-burglary trial of Steve Strubberg, 19, of 4510 Kirkpatrick Homes — ending in a guilty verdict during the weekend — included testimony, 92 items of evidence, frequent recesses while legal points were argued, and participation by technical

authorities. The case related to the slaying of Mrs. Pearl Elizabeth Giffin, 78, of 2107 Kirkpatrick, early on the morning of Feb. 6. She was bludgeoned to death while asleep during a burglary that netted \$14.

Testimony related that she was struck around the head seven times with a baseball bat wielded against her as she lay quietly in her bed. Circuit Judge Moses Harrison II presided at the trial.

Experts were called from the Illinois Bureau of Identification crime laboratory in Fairview Heights to testify on several of the 92 pieces of evidence the state presented. George Whitlatch, an evidence analyzer, testified blood found on a shirt proved to be human blood.

He also found traces of human blood on the baseball bat said to have been used to murder Mrs. Giffin. He testified to removing pieces of bottles from trash at the Strubberg home and piecing together three medicine bottles, including one which had a label bearing Mrs. Giffin's name.

Whitlatch said he was unable to find blood on the pair of bluejeans in evidence or on any other evidence except the victim's clothing and bed clothing. The blood on the shirt and bat were in too small quantities to determine a blood type, he said. Douglas Keith, a crime scene

technician for the FBI, said he obtained a palm print from the front door of Mrs. Giffin's apartment which did not match the prints of anyone considered a suspect in the case. A fingerprint also was found inside Mrs. Giffin's wallet which did not match any of those suspected in the case.

John Robertson, 4510 Kirkpatrick Homes, described as Strubberg's brother-in-law, was a principal witness. He said he saw Strubberg break into the apartment and strike Mrs. Giffin with the baseball bat. His testimony included Strubberg's reported loss of cigarettes, a glove and a screwdriver, all later said to have been located by Robertson and a juvenile referred to as Juvenile B.

Robertson told the jury that he and B went inside the Giffin apartment and that B picked up the bat and took it to the 4510 Kirkpatrick address.

Referring to Strubberg, Robertson testified, "We woke him up and told him we had everything and he said, 'OK.'"

"The bat was covered with blood so we washed it in the bathtub and put it back in the utility room and went back downstairs and played cards," Robertson testified.

He said Juvenile B later went home and Robertson recalled telling him to take the screwdriver home with him.

Later, he said, they got back together and watched television until about 10 a.m. Feb. 6 "when the cops came and picked us up."

Robertson said they were taken to the police station and questioned by Detective Don Knight.

Asked if he and yet another juvenile had been at Mrs. Giffin's home selling greeting cards before Christmas, Robertson said he had been.

"We saw she had a lot of money," he told the jury. Under questioning, by Assistant State's Attorney Robert Trone, he said he discussed Mrs. Giffin's money with Strubberg and talked about burglarizing the residence for about two days before the morning of the burglary and murder.

Strubberg's defense attorney, Strellis, asked Robertson, asked for details of his testimony. He determined that the knife used to cut the screen in a front screen door was Robertson's, a coat Strubberg allegedly wore was Juvenile B's, a cap could have been Robertson's or Juvenile B's, since both had similar caps, and the screwdriver used to remove the window in the front door of the Giffin apartment was obtained from Juvenile B's home.

Robertson said he did not recall ever seeing the shirt which Strellis contended Juvenile B had worn the morning of the murder.

Strellis then asked Robertson if he liked Strubberg and if he liked his brother-in-law living in the Robertson home.

"It was crowded in there, wasn't it?", Strellis asked, and Robertson answered, "Not really."

Asked if he and Strubberg had a lot of arguments, Robertson responded, "No."

Strellis contended that Strubberg had warned Robertson against thinking about various potential burglaries and Robertson countered, "We only talked about this house."

The defense attorney showed Robertson a hat Strubberg allegedly wore during the Giffin burglary. He pointed out two holes cut in the top of the stocking hat and questioned the purpose of the holes.

Robertson said they are for the

eyes when the hat is pulled over a face. He said he and Juvenile B have hats exactly alike.

Robertson said under questioning by Strellis that he had taken about seven "speed" pills the morning of murder, "Just to make me stay awake," he said.

Asked why Strubberg had to borrow a coat from Juvenile B when there were other coats in the Strubberg-Robertson home, Robertson said, "I guess because he didn't want to use his own."

The defense called one other witness after Robertson — David Richard Williams, 19, Collinsville, who has pleaded guilty to armed robbery in another case and is awaiting sentencing.

Williams said under cross-examination by Trone that he was a cellmate of Strubberg in the Madison County Jail after Strubberg's arrest. He contended that Strubberg told him that Strubberg had been responsible for the murder.

Another jail inmate, David Michael Cox, testified he had known Strubberg in jail and asserted Strubberg had said nothing to him about the Giffin case.

Another witness during the trial was John Henderson, 2808 Kirkpatrick Homes, who testified he saw Strubberg return to the Strubberg-Robertson home at a time which would have been shortly after the murder.

Asked if it could have been someone else, Henderson said, "I could tell it was him."

During cross-examination, Strellis asked Henderson if he saw another juvenile near the Robertson home the morning of the murder, and Henderson answered, "I didn't see him."

Henderson denied participating in a conversation with that juvenile (not A or B) about burglarizing Mrs. Giffin's home.

The name of yet another juvenile was brought up and it was determined that this juvenile was in the Madison County Jail on the morning of the Giffin murder.

Henderson said he made a videotape statement to Granite City police the morning of the murder, but objections from Trone halted testimony on the nature of that statement.

Asked if the police made any promises to him before he gave the taped statement, Henderson answered, "Yes. They promised not to tell Steve (Strubberg) that I'm the one that told on him."

Attempting to determine the ownership of bluejeans held in evidence, Trone asked Henderson to go into a back room and put them on.

Henderson returned to the courtroom wearing the jeans, which were obviously too large. "You had to hold onto the belt loops to keep the pants up, didn't you," Trone asked.

Henderson responded, "Yes." There were further questions about the videotape statement given by Henderson to police. But after repeated objections, Judge Harrison called the attorneys for both sides into his chambers for a closed discussion. The tape was not mentioned again after they returned.

The jury deliberated 12 hours Saturday afternoon and evening in reaching its unanimous verdict against Strubberg.

The jurors by their verdict indicated they did not believe the defendant's testimony that Juveniles A and B had been responsible for the burglary and murder and were trying to "frame" him.

Sentencing is set for 9:30 a.m. Friday, May 21, in the court of Judge Harrison.

200 see Moose install

More than 200 persons viewed installation ceremonies during the weekend of newly elected officers of Granite City Loyal Order of Moose Lodge 272 held at the Moose Club, 19th and Adams streets.

Installed as the new governor was Fred Miller. The retiring governor is Jack Wilson.

Edward Chastain served as installing officer, with Bud

Worthen as the installing sergeant-at-arms.

Dinner was served to members and guests by Women of the Moose Chapter 247 and a social evening was enjoyed.

Other officers installed were: Boyd Presley, junior governor; Jack Wilson, junior past governor; Virgil Singler, secretary; Bob Thebeau, treasurer; Jim Jones, prelate; Charlie Schaffer, sergeant-at-arms; Larry Lane, Terry Singler and Tom Harmon, trustees; Art Chastain, inner guard and Leonard Crone, outer guard.

Assembly delegate

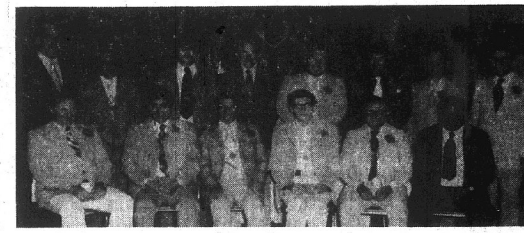

Walter Schaffer of Granite City was one of 2,159 delegates who attended the two-day assembly of Jehovah's Witnesses in Belleville during the weekend, the theme of which was "Become Doers of the Word," taken from James 1:22.

Both days were filled with a variety of Bible-based discussions which impressed principles for Christian living on the minds of all, Schaffer said.

The highlight of the assembly occurred Sunday with a discourse entitled, "Are You Doing What God Requires of You?" given by W. J. Benner, representing the Watchtower Bible and Tract Society of New York.

More and more people are wanting to do what God requires of them and this was shown to be true when 30 new

members were baptized. Schaffer noted the Granite City congregation will continue to extend a free Bible study program to the public.

OFFICERS INSTALLED by Granite City Loyal Order of Moose Lodge 272 at the Moose Hall, 19th and Adams streets. First row, from left to right, are: Virgil Singler, secretary; Boyd Presley, junior governor; Fred Miller, governor; Jack Wilson, junior past governor; Jim Jones, prelate; and Bob Thebeau, treasurer. Second row, from left: Bud Worthen, installing sergeant-at-arms; Leonard Crone, outer guard; Art Chastain, inner guard; Charlie Schaffer, sergeant-at-arms; Larry Lane, Terry Singler and Tom Harmon, trustees; and Edward Chastain, installing officer.

Initiate 22 new members in Modern Music Masters

Modern Music Masters of Granite City High School North initiated 22 new members into the organization at a candlelight ceremony held in the music room last week.

The presiding officers were Gregg Schubert, president; Pam Reinhardt, vice-president; Karen Stawar, secretary; Paul Ashcraft, treasurer; and Judy

Rash, historian. The initiates are Randy Belling, Jonna Bloodworth, Brenda Beide, Dave Edrington, Joan Fabisher, Patty Gray, Dwayne Jorgenson, Stewart Kinney, Kendall Lucas, Christine Luckert, Kevin McCullough, Robin Mucos, Frank Offis, Pam Pritchard, Kevin Rainwater, Cheryl Schofield, Sandra Shea, Lyle Temple, Tammy Vail, Margaret Verschuyl, Pam Tester, and Christina Smith.

Following the initiation ceremony, entertainment was provided by Jennifer Miles singing "Caro Mio Ben" and Crystal Andrews, Kay Peters, and Karen Stawar performing

the flute trio "Larghetto and Minuetto" by Mozart. Candidates for membership into Modern Music Masters are selected from students enrolled in the school's music department, who meet the following requirements: carry an "A" grade in music; maintain a "C" average; show good attitude toward teachers and fellow students; display cooperation and service to their class and school; and are of excellent character.

The sponsors for Modern Music Masters are Gail E. Mueller and Robert D. Todoroff.

Planting ceremony at Venice Center Friday

The Venice Park District will observe "Liberty Tree Arbor Day" by planting five spruce and pine trees around the Venice Recreation Center in Lee Park at 3:30 p.m. Friday.

The public is invited to view the ceremony. Those attending will receive pine seedlings to plant in their own gardens and yards.

Participating in the planting will be Cub Pack 107, Boy Scout Troop 1, Brownie troops 476 and 741, Junior Girl Scout troops 456 and 460, and Cadette Troop 107. Among the trees to be planted is a spruce donated by Venice Mayor William Ebersoldt.

Henry C. Deihl of Palatine, president of the Illinois Association of Park Districts, and Charles Paxton of Zion, Illinois Parks and Recreation Society president, jointly announced the statewide planting program to recognize the 104th anniversary of Arbor Day.

Illinois Gov. Dan Walker has proclaimed Friday, April 30, as "Liberty Tree Arbor Day" in observance of the Bicentennial Year.

Preceding the Revolutionary War, Liberty Trees were symbolic of the assertion of American rights against acts of tyranny. A group called the Sons of Liberty rallied under the trees to denounce British oppression, sing songs, drink toasts and hang in effigy unpopular officials during the Stamp Act rebellion.

The first designated Liberty Tree was an elm on Washington Street in Boston.

Arbor Day, observed in many states with the planting of trees, was first inaugurated in Nebraska in 1872 at the suggestion of J. Sterling

Morton, who later served as Secretary of Agriculture during President Cleveland's second administration. The idea quickly spread throughout the states of the Mississippi Valley.

Deihl and Paxton urged all park, forest preserve and conservation districts in Illinois to develop a local program of educating youth on the aspects of Arbor Day and to plant trees in the community.

Arbor Day traditionally is a time for beautifying our communities with planting of trees, shrubs and flowers, they said, and suggested those trees planted this year be considered Liberty Trees as a dedication to America's ideals.

Deihl also noted the program will be expanded in future years to encourage more participation and the restoration of trees that have been removed because of age, commercial development or disease.

Arbor Day's cooperative effort will be in addition to the program developed by the Forestry Division of the Illinois Department of Conservation, he said.

MAN FINED \$60
Larry W. Anderson, 28, of 3032 Iowa St., was taken to the Granite City Police Department last week for questioning and later was charged with criminal trespass to land. He pleaded guilty and was fined \$60 and released. Officers allege he entered Clean Craft Cleaners without permission Feb. 11.

Vocational education growing

A skilled working force is essential to attract business and industry to Illinois and sustain what the state already has. Michael J. Howlett, secretary of state, said Tuesday night at the annual employer appreciation banquet of the Cooperative Vocational Education Center of the Marion area.

The CVC program involves high school seniors who attend class a half-day for credit and work at least 15 hours a week, for pay, in jobs related to their education. The Marion center is one of 29 area centers in Illinois; its students are enrolled in seven high schools in three counties.

"During the last five years, vocational education enrollment in Illinois has risen 31 per cent at the high school level," said Howlett, "including nine per cent last year."

"More than a half-million students are receiving some vocational education. Some, like the young men and women here, study half a day and work the other half. Some are adults who come back for special classes. Others are students who have one or more vocational courses as part of an academic program."

"Vocational education is popular and growing. Two more area centers, like the one in Marion, will open this fall in Illinois. Feasibility studies for six more are under way."

"Vocational education attacks several problems," Howlett stressed. "For one, colleges and universities are graduating more men and women than are required for jobs related to their specific education."

"For another, about a fourth of our young people fail to graduate from high school. And Illinois has been losing plants and businesses to other states and countries."

"To attract industry here, and keep what we have, we need an available force ready and able to do the work. Vocational education is supported by federal, state and local funds, but the federal and state contributions have not grown as fast as the enrollment."

"The cost has been loaded more and more on the local school district, and the property taxpayer. We should try to increase the federal share—and even the state's—when we can afford it."

"The employers honored are doing their part. They are giving students a chance to earn while they learn. From experience, the students will know if they are on the right track with their studies or should shift while they can."

"At a time when unemployment is serious and our state government has fiscal problems, vocational education contributes to matching capable workers with jobs and strengthening our Illinois economy."

State wins cigarette tax ruling

Illinois Attorney General William J. Scott has won a federal court ruling that, he believes, will enable the state to collect more than \$1.2 million in unpaid cigarette taxes from an Illinois corporation that once was the state's largest distributor of cigarettes.

The U.S. Court of Appeals, Seventh Circuit, in late April overturned two lower court rulings and upheld Scott's contention that F. W. Koencke & Sons, Inc., Blue Island, illegally attempted to reduce taxes owed the state by the device of filing more than 52 multiple license applications as cigarette distributors for the individual names of company employees. Involved in the tax discount the state allows distributors for their services in purchasing and affixing the tax stamps on packages of cigarettes.

Formerly, this was a flat five per cent discount. But in 1963, the legislature amended this to a graduated declining discount schedule, with the maximum discount allowed for the first \$700,000 in taxes paid by a licensed distributor. The discount was reduced for the next \$700,000, and further reduced for the next \$700,000. By the device of multiple licenses, Koencke retained the maximum discount and, Scott alleged, evaded \$1,268,334 in cigarette taxes due the state for July 1965 to June 1966. Koencke is now in bankruptcy and Scott is seeking the one million-plus for the state in the federal bankruptcy court from assets being held.

Pontoon creates jobs for 12 youth workers

The Pontoon Beach branch of Coordinated Youth Services is seeking students, age 14 and older from Nameoki Township, to apply for summer jobs under the Youth Work Experience program.

The Pontoon Beach Village Board voted Monday afternoon to create 12 jobs in the village government for summer youth workers, and the Nameoki Township Board of Trustees is expected to act soon to create additional openings.

The summer job program is funded by the Comprehensive Employment and Training Act (CETA) under the Madison County Manpower grant.

Employment in the program is open to all students 14 years of age or older, including college students, and positions also are open for veterans. Students must be from families with low incomes or families on social security or public aid.

It was noted applicants from Nameoki Township will receive priority at the Pontoon Beach office. Other Quad-City residents should apply at the Granite City or Madison County Coordinated Youth offices.

The Pontoon Beach Village Board action created eight openings on the road crew, two for administrative aids and two more for clerical work in the village police department.

Those hired under the program will work about 20 hours per week for 10 weeks beginning June 7.

Award college grants

Cong. Melvin Price (Dem., 23rd Ill.) has announced that four area colleges will receive supplemental federal financial assistance for students. The funding will be used for the College Work-Study Program, the Supplemental Educational Opportunity Grant program and the Nursing Student Loan and Scholarship Program, Rep. Price explained.

Bellevue Area College has received supplemental funding of \$1,237 in the Nursing Student Loan Program and \$6,498 for the College Work-Study Program. Lewis and Clark

Community College, Godfrey, will receive \$20,000 to finance 42 student jobs in the Work-Study Program, while McKendree College in Lebanon has been allocated \$7,200 for a total of 15 student positions.

Southern Illinois University at Edwardsville will receive \$100,000 for 208 jobs and also will be awarded \$11,437 for nursing scholarships and \$3,301 for nursing loans. SIUE also has been funded \$68,300 for 100 students participating in the Supplemental Educational Opportunity Grant program.

the problem is caused by sand infiltration into sewer breaks, overloading the lift station and causing seepage of sewage into yards around the area. He said such a problem is not confined to the Amos and Franklin avenues area, noting that "we have the same problems in other places."

Ben Forsee, a resident of the area who was permitted to address the council, said the odors caused by seeping sewage is a severe nuisance and that "We can't even open our windows when the wind is right, and I imagine that applies to other people around us." He asked the council to consider means to eliminate the condition as soon as possible.

Brewer said that city officials are to meet in Springfield next week with officials from the Environmental Protection Agency to discuss procedures for an EPA grant qualification for rehabilitation of the area's sanitary sewer lines. But, he noted, "This does not mean an immediate solution of these problems." The grant, for which planning funds already are available, could break the repair of sewer breaks that still exist in the area.

Council members decided to refer the matter to Brewer and Poggett to study possible methods of stopping sewer backups and to report to the council in its next meeting Monday night.

include about \$182,000 a year out of the general fund, approximately \$28,000 out of the sewer treatment plant fund, \$7,000 out of the federal revenue sharing fund and about \$1,200 out of the motor fuel tax fund.

The budget released Monday night shows, for example, total 1976-77 salaries of \$505,466 for the Fire Department, up from a final budget figure last year of \$331,000, and total salaries of \$385,850 for the Street Department, up from last year's budget of \$342,671.

Total salaries this year for the Police Department are projected in the new budget figures at \$680,550, an increase from \$656,841 in last year's budget.

The appropriations also include 1976-77 salaries of \$20,342 for Chief of Police Ronald Veizer and Fire Chief Don Parente, up from \$18,835 each last year. Salaries of elected officials remain unchanged, however, under state law which prohibits salary raises during a term of office.

Also unchanged this year are salaries and expenses of the aldermen. Salaries for the aldermen are set in the new budget at \$37,800 for the year, same as last year, while aldermen's expenses are projected at \$8,400, same as last year.

Anticipated expenditures for sewer maintenance—the fund from which the city donates sewer repairs and maintain sanitary sewer operation—are set in the new budget at \$402,450, up from last year's budget of \$458,100.

Also budgeted for this year is a total of \$37,600, in a Bicentennial fund which includes \$11,000 for special events, \$5,000 for the Horizons Committee, \$500 for the Participation Committee, \$5,500 for the Performing Arts Committee, \$8,000 for the Mayor's Ball Committee, \$1,600 for the Ethnic Committee. Last year's appropriation for Bicentennial events totaled \$5,000.

The appropriation figures also include a total of \$324,300 for the Granite City Public Library, up from a total of \$230,900 last year.

Major expenses budgeted in the federal revenue sharing appropriations include \$118,000 for construction of the proposed

GC teams awaiting Inter-City openers

The Illinois Inter-City Baseball League begins its 46th season of competition Sunday with six men's teams participating—Granite City's Thomas Mortuary, Merced, Highland-Pierson, Panama, East Alton Vans and Fairfax Mobile Homes of East Alton.

All 15 regular season playing dates this season are doubleheaders, starting Sunday at Fairfax. All initial games start at 1 p.m.

Thomas Mortuary, coached by Adrian Rains of Granite City, in its first season of competition, replacing Troy, which withdrew from the league last year with an 8-22 record.

Merced, headed by six-year mentor Wendell Corey, is starting its 16th year of league play. It has seen season championships in 1960, 1973 and 1974. Last season, Merced finished with a 13-17 mark.

Merced has experience this year in nine returning players with a combined total of 42 years on the field.

Heading the list of returnees is 12-year veteran Larry Corey at first base. Jim Greenwood and Bill Campbell have five years each behind them.

Greenwald, an outfielder and a Southern Illinois University at Carbondale graduate, was recently released from the Philadelphia Phillies team.

Campbell, a catcher, is baseball coach at Madison High School.

Pitcher Vic Reznack, SIUE student Bob Scott, an outfielder, and Pitcher Pat Harris, an infielder, have played in the Inter-City League for four years. They will be complemented on the

diamond by third-year players from Carbondale, an outfielder presently playing with SIUE, Bob Shipley, a catcher, and Mark Greenwald, an outfielder coach, 1974 graduate of GCHS South.

"We have rounded out our roster," says Coach Corey, "with 10 new members, including four veterans from the former Troy club."

Picked up from the defunct Troy team are Terry Vartanian, third baseman, Ken Schaake, catcher, Dennis Harrington, outfielder, and Dave Schaake, shortstop.

SIUE Assistant Coach Bob Hughes has joined Merced at shortstop, and Cougar hurler Greg Wolk also is on the roster.

Former GCHS North player John Scott, now attending college in Florida, has joined the pitching staff, along with University of Missouri hurler

Coach Rains of Thomas has been involved in Inter-City League competition as a player since 1965.

Although his team roster is incomplete, at least 10 Quad-City area players are slated to see action. They are:

They are Bob Finke, an assistant coach and catcher; Jim Brawley, a catcher and

outfielder; Jim Rains, a pitcher and outfielder; Don Rains, a pitcher and infielder; Ed Hagn, a pitcher and outfielder; Bill McDonald, an infielder; Mark Schofield, an infielder; George Gegaus, an infielder; and

Pritchard an outfielder, and Jim Grover, a first baseman.

South breezes 13-0 on Tigers' diamond

Cedar singled in two runners. Champion and Cedar each collected three hits. Clark, Evans and Stanton had one apiece.

GCHS South lost 13-3 to Cahokia Tuesday in a baseball contest at Wilson Park. The visitors had 14 hits and fielded without error while the Warriors collected four hits and made three errors.

Randy batters walked in the second game, now with a 4-2 record on the mound, took the loss. He was relieved by Rick Francis in the second inning. South scored in the third when Cedar and Champion drew walks and Jeff Scarborough singled.

Two Warriors dashed home in the second. Paul Evans singled, Ed Pragma drew a walk and Cedar tripled.

Evans had two hits and Cedar and Scarborough one each.

Stock cars at Tri-City return to half-mile track

After a break in the action last weekend due to rain at Tri-City Speedway, 5100 Namekiki, the late model stock car racing this Saturday will provide high-speed competition on the half-mile dirt oval instead of on the quarter-mile track. Activity will start at 7:30 p.m.

Tri-City Promoter Ed Bloom opened his 1976 season two weeks ago with late model and sportsman class racing on the quarter-mile track, which he shortened to the length of time it requires to complete a program. He acted in view of a proposal by the state Environmental Protection Agency which may call for speedways to end their programs by 10:30 p.m.

Bloom and his Gateway Auto Racing Association are slated this season to conduct all racing events on the quarter-mile track with the exception of every third weekend, when the late model stockers will return to the half-mile as in the past.

A total of 365 attended the spring conference of Illinois Educational Secretaries (IAES) held at Stouffers Riverfront Inn, St. Louis, during the weekend.

The event was hosted by the Granite City Association of Educational Secretaries, headed by Mrs. Dorothy Luckert, the current president. Mrs. Catherine Wittevoogel of Granite City, state IAES president, presided at the session.

Dr. Donald Reber, principal of Lyons Township High School, LaGrange, Ill., was recipient of the "Illinois Educational Administrator of the Year" award and Mrs. Rachael Salvaggio of Rockford received the "Illinois Educational Secretary of the Year" honor.

Both awards were presented to the honorees at the Saturday evening banquet.

After the dinner, state officers Rita Wall of Decatur, Pat Dyer, Urbana, and Marge McCorkle, Kankakee, were installed.

Leo Konzen, Granite City attorney, gave the keynote address at the opening session. Guest speakers included Mrs. Gracie Peterson of Memmouth,

Ill., Mrs. Earl Hanes, Mount Vernon and Mrs. Annette Mulvany-Graeb of SIUE.

Entertainment during the weekend was presented by Granite City High School South stage band, under the direction of Terry Waller; magician Glen Tonsor and his assistant, Beverly Uzimoff, of North High School; and Paula Cook, Sahari Christ, Larry Libby, Dawn Walker, Wayne Miles, Bill Winter and Joyce Haldean, North High School speech students.

Adults presenting skills were Phyllis Brusatti, Linda Givens and Joyce Tracy. Several secretaries from here gave a "fashion show," written and directed by Phyllis Pickrell. Ron Pennell, the Rev. and Mrs. John Nading of the Third Baptist Church, Norma Roney and Juanita Craycraft led the Sunday worship service.

Mrs. Arlene Haldean served as general chairman of the event, assisted by committee chairmen, Martha Rochester, Ethel Weiss, Freda Andrews, Shirley Brown, Vivian Hillen, Delores Yates, Lee Guenther, Annette Landman, Priscilla Veatch and Martha Katzman.

Benefit cage game at Madison tonight

A benefit basketball game for the March of Dimes campaign will be held at 7:30 tonight at the Madison High School gymnasium, sponsored by the Madison Junior Service Club.

Participating in the game will be faculty members versus city all stars (police and firemen). Tickets, costing \$1 each, will be sold at the door, it was announced by Mrs. Julia Voloski, Junior Service president.

Plans for the project were finalized at a meeting held last week.

Members also agreed to send a donation to the Madison Mothers Club for the bicycle rodeo, set this Saturday at the Louis Baer School.

The corps of officers elected to serve for the 1976-77 club year, include: Janet Schultz, president; Carol Childers, first vice-president; Mary Anna Kaminski, second vice-president; Fannie Flak, third vice-president; Caroline Champion, fourth vice-president; Teresa Rhoads, corresponding secretary; Jo

Mrs. Stephens is A-C 8 Club hostess

Mrs. Pauline Stephens, 2539 Edwards St., entertained members of the A-C 8 Pinocle Club at her home Tuesday evening. A dessert course was served by the hostess.

Those excelling at cards and winning prizes were Mrs. Elvira Thurber, first; Mrs. Kathryn Smithson, second; Mrs. Creola Warnoff, third; and Mrs. Lillian Naeve, fourth.

Also present were Mrs. Sue Kruger, Mrs. Margaret Bell and Mrs. Penny Ousley. Mrs. Thurber will host the club at its May meeting.

ADVERTISEMENT FOR BID

Part I - Section 1.1

NOTICE TO CONTRACTORS

WATER MAIN EXTENSION

TO SEWER MAIN

ESTATES SUBDIVISION

ADDITION NO. 2

The President and Board of Trustees of the Mitchell Public Water District will receive sealed proposals for the Water Extension and Sewer Main Extension, Estates Subdivision, Addition No. 2, in their offices located at 745 East Chalmers, Granite City, Illinois, until 3:30 P.M., prevailing time, May 11, 1976, with bids received publicly opened and read at the Board Meeting at 8:00 P.M., May 11, 1976.

The "STANDARD SPECIFICATIONS FOR WATER AND SEWER MAIN CONSTRUCTION IN ILLINOIS," Second Edition, November, 1973 shall govern. Approximate quantities: 700 ft. of 12" Water Pipe, 1 Fire Hydrant, valves, and miscellaneous appurtenances necessary to provide a complete job.

Proposals forms and drawings are on file at the office of E. B. Corlew Associates, Inc., Engineers and Surveyors, 117 Purcell Street, Edwardsville, Illinois, and may be obtained from them upon payment of non-refundable deposit of \$15.00.

All proposals must be accompanied by a bid bond, bank cashier's check, bank draft, or certified check for not less than 10 percent of the amount of the bid, or as provided in Section 2-7 of the "STANDARD SPECIFICATIONS FOR WATER AND SEWER MAIN CONSTRUCTION IN ILLINOIS," Second Edition, November, 1973, to insure execution of a satisfactory contract and contract bond within ten (10) days after award of contract. No bid shall be accepted in case his bid is accepted by the Board of Trustees. No bid will be drawn subsequent to the opening of bids without the consent of the Board of Trustees for a period of fifteen (15) days subsequent to the receiving and opening of said bids. The successful bidder will be required to furnish a satisfactory contract bond in the total amount of the contract award.

The successful bidder will be required to pay not less than the prevailing rate of wages as determined in accordance with the Illinois Prevailing Wage Law to all laborers, mechanics, and other workmen employed in the construction of this project. All proposals must be made on forms furnished by the Engineer.

The Mitchell Public Water District reserves the right to waive, or not to waive, any irregularities in the bids and to determine which is the lowest and best bid for the work.

By Order of the President and Board of Trustees of the Mitchell Public Water District

No. 22 4-29; 5-3

ORDINANCE No. R-13

AN ORDINANCE AMENDING ORDINANCE No. R-11

REGULATING THE OPENING AND PARKING OF MOTOR VEHICLES UPON MORRISON ROAD, IN THE TOWNSHIP OF NAMEOKI, MADISON COUNTY, ILLINOIS, AND IMPOSING A PENALTY FOR THE VIOLATION THEREOF.

BE IT ORDAINED BY THE HIGHWAY COMMISSIONER OF NAMEOKI TOWNSHIP, MADISON COUNTY, ILLINOIS:

Section 1. For the purpose of this ordinance, the word "vehicle" shall include every vehicle which is self-propelled and every device propelled by human power upon which any person may ride having two tandem wheels and every home-drawn conveyance, including animals which are ridden or driven.

Section 2. Section 2 of Ordinance No. R-11 is hereby amended as follows, to-wit: "That it is hereby declared

unlawful for any person, firm or corporation or servant, agent or employee thereof to park, stop or station a vehicle along the South side of Morrison Road in the Township of Nameoki, Madison County, Illinois, commencing at the intersection of Morrison Road with the Alton and Southern Railroad Tracks and extending West to the intersection of Morrison Road with Wendover Street."

Section 3. The Highway Commissioner of Nameoki Township, Madison County, Illinois is to place at regular intervals along the street herein named, appropriate signs which will notify the operators of vehicles and the public that parking along the southern side along Morrison Road between the points herein designated is not permitted.

Section 4. Any person violating the provisions of this ordinance shall be subjected to the payment of a fine of not less than one dollar (\$1.00) nor more than One Hundred Dollars (\$100.00) for each offense.

Section 5. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 6. This ordinance shall be in full force and effect from and after ten days next after its passage, approval and legal publication as provided by law.

PASSED this 22 day of April, A. D. 1976.

Elderly mobile home owners eligible for tax exemption

Owners of mobile homes who are 65 years of age or older and occupy the mobile home they own are entitled to a 20 percent reduction in taxes under a new state law assessing a tax of 7 1/2 cents to 15 cents per square foot, depending on the age of the trailer home. Quad-City area township assessors reported this week.

The same rule applies to any mobile home owner, regardless of age, who is totally disabled and can provide the assessor's office of his respective township with a disability claim number, the assessors said. They also must be occupants of the trailer home for which they claim exemption.

Registration of mobile homes—those not mounted on a permanent foundation—is under way at the assessors' offices in Quad-City area townships. The deadline for registration is May 15, 1976.

Tax will be extended on a varying scale from 7 1/2 cents per square foot to 15 cents per square foot as the result of an amendment to the original mobile home owners' taxing law that set a flat scale of 15 cents per square foot, regardless of the age of the trailer.

Persons failing to register their mobile homes will be assessed at the full rate of 15 cents. The assessors said. Applications for the exemption for elderly and disabled are being obtained by the assessing officials at the time registration is made. The title or a photocopy of the title must be submitted by the owner registering a mobile home. It was planned.

Registration has been under way since April 15 and is scheduled to end Friday

Tavern owners dance Wednesday aids youth

The Madison County Tavern Owners Association will celebrate the Bicentennial Year and National Tavern Month (May) with a buffet dinner-dance Wednesday evening, Charles Hester of Granite City, association president, announced today.

This year's event will take place at the Madison County Firemen's Hall, 9510 Collinsville Road, (former Biederman store).

The public is invited to attend the affair, which will feature a buffet supper, open bar, numerous gifts and entertainment. The buffet will be served, starting at 7 p.m. Wednesday.

Music for dancing will be provided by the Joey James Orchestra. Tickets cost \$10 per person and may be obtained at any association-member tavern, or

by calling Hester, at 876-7235, or Bob's Tavern, 876-4986. Proceeds from the dinner dance will enable the county association to make its annual contribution to the Sky Youth Ranch for Boys in South Dakota, Hester said.

The youth facility is 100 per cent financed by the liquor industry, including brewers, wholesalers, retailers, tavern owners and others involved in the business, the association officer explained.

Hester reported Father Don Murray, a widely-known priest who founded and operated the youth ranch since its inception, was killed last October in a plane crash. He was accompanied in the plane by one of his youthful charges who also died in the crash.

A new administrator has since been appointed, Hester said.

South Follies May 10-11

Two hundred years of American events will be the theme of the Granite City High School South annual "Spring Follies."

The event will be presented by over 200 students enrolled in the Oral Communications classes at South, and will be

held beginning at 8 p.m. on Monday and Tuesday, May 10 and 11, in the school auditorium. Admission will be 75 cents at the door or by student activity ticket.

Ronald Pennell of the South faculty is coordinating the "Follies."

Eta Chapter attends movie

A monthly social meeting of Eta Chapter, Phi Tau Omega Sorority, included attending the movie, "All The President's Men," followed by refreshments at the Roundtable Restaurant, Collinsville.

Hostesses for the evening were Dolores Costello, Millie Greshouse, Mary Hassler and Lois Hodge.

Prizes were awarded to Eunice Hatcher, Hilda Schroeder and Mary Evelyn Yenko during the dinner hour.

Also present were Betty Krug, Shirley Morgan, Georgiana VanBuskirk, Kathryn Weddell and Margaret Yackel.

A business meeting is planned for May 5 at the Elks Lodge.

Restoration Society hosts 50 seniors

Over 50 senior citizens were guests of the Downtown Neighborhood Restoration Society (DNRS) at an afternoon party held this week at the Senior Citizen Center, 1918 Edison Ave.

As the guests arrived each was presented with a carnation and name tag. All were treated to an entertaining program of music, dancing and magic by DNRS members and their children.

President Jack A. French served as master-of-ceremonies and spoke about DNRS plans to improve and upgrade the Downtown Granite City area.

Entertainment included: "Four In Our Family" sung by Bob, Sheila MacLaughlin and children, Matthew and Nicole; a ballet dance by Nicole MacLaughlin; coronet solo by David Kettelhut; magic tricks by Bradford and Neil French; and David and Martin Kettelhut.

telhut; "Side by Side," a song and dance featuring Mrs. Judy Padgett and daughters, Ann, Elaine and Martha.

A baritone solo by Martin Kettelhut; violin solo by Bridgette Kettel; piano duet with Martin and Jonathan Kettelhut; and a "Hokey-Pokey" comedy dance performed by Neil, Phillip and Cecilia French.

After the program, refreshments of cookies, punch and coffee were served and Bob MacLaughlin entertained by playing "old favorite" melodies on the piano in a rag-time style.

Each person attending was given a package of food and gift items, purchased by the DNRS or donated by local merchants, including Perdi's Flowers, Nestea, Kozak's and Schermer Brothers markets and Champion's Potpourri Shoppe.

Carl Kettel and Kathy French, co-chairmen of the event, were

responsible for contacting and transporting the guests, obtaining and packing the food gifts, arranging the entertainment, decorating the tables and serving refreshments.

The party was arranged by the DNRS to show appreciation to the community for its support of the group since its inception, the chairman reported.

The organization is in its third year of beautifying the community, increasing neighborhood pride and working for the restoration and preservation of older residences and business buildings through independent citizen action, they said.

Shower honors Mrs. Skirball

A cradle shower honoring Mrs. Donna Skirball was held this week at the home of Mrs. Doris Mathews, 70 Riviera Drive. She was assisted by Mrs. Ruth Teague and Mrs. Ann Kirk.

Ceramic favors were made by Mrs. Marge Heath. Games were played followed by the opening of gifts and a luncheon.

Those attending were Mesdames Lee Sampson, Shirley Weber, Betty Lyster, Pat Wood, Debbie Williams, Sherry Mitchell, Nancy Stanfill, Grace Bretz, Ann Kuhlmann, Jo Ann Macios, Theresa Danco, Mary Jane Biggs, Marge Heath, Diane Heath and daughter, Lora; Ann Lazaroff, Dorothy Petroff, Judy Petroff, Carol Hopper, Thelma Phillips, Pamela Mathews, Connie Woodward, Janice Huggins, and the honoree's mother, Vivienne Danco, and sister, Paula Danco.

St. John United scene of Ryan-Tindall wedding

Miss Diana S. Tindall, a daughter of Mr. and Mrs. Bill E. Tindall, 64 University Drive, and Richard F. Ryan, a son of Mr. and Mrs. Frank Ryan, 228 Washington Ave., were united in marriage on April 3 at St. John United Church of Christ.

The Rev. Carl Eschenbrenner performed the double ring ceremony at 6:30 in the evening.

Organist Mrs. Irene Barrick Rapp accompanied the soloist, Brian Chastain. Nuptial selections included "Theme from Love Story," "Sunrise, Sunset," "A Time for Us" and "Wedding Song."

For her wedding, the bride chose a long white tulle gown fashioned in an Empire silhouette and complemented with a wide brim bridal hat and short veil.

Embroidered lace motifs accented the sheer yoke, traced with Venise lace. The lace was repeated on the high neckline and sheer shepherdess sleeves.

The semi-full skirt was encircled with a gathered flounce, trimmed with matching lace. She carried a bouquet of white roses, carnations and baby's breath, festooned with blue ribbon.

Maid of honor Miss Melodie Tindall, a sister of the bride, and bridesmaids Miss Jo Ann Mitzel, Miss Stephanie Winfield, a cousin of the bride, and Miss Sherry Tindall, the bride's sister, wore identical pastel blue jersey dresses.

The gowns were designed

with Empire bodices, white lace yokes, high necklines, long tapered sleeves and softly flowing skirts.

Each attendant held a bouquet of carnations, daisies and baby's breath in rainbow colors.

Leslie Tindall, also a sister of the bride, served as flower girl. She was dressed in a full-length powder blue frock, enhanced with a sheer floral apron.

Chris Ryan, a nephew of the groom, was the ringbearer.

The groom chose Bill E. Tindall Jr., a brother of the bride, as his best man. Larry and Nick Ryan, brothers of the groom, Don Petrillo, John and Clay Winfield, cousins of the bride, Jerry Petrillo and Dennis Reynolds completed the corps of groomsmen and ushers.

An evening reception was held at the Croatian Home in Madison. The rehearsal dinner was served at the Madison Polish Hall.

A 1975 graduate of Granite City North High School, the bride is attending Southern Illinois University at Edwardsville, where she is majoring in nursing.

The groom graduated in 1973 from South High School and attended Lewis and Clark Community College for two years. He is now employed at Clark Oil and Refining Corp.

They are now residing in Granite City, following a wedding trip to Tan-Tar-A Resort in Osage Beach, Mo.

MARRIED. Mr. and Mrs. John F. Schwentker, who exchanged wedding vows at St. John United Church of Christ. The bride is the former Mrs. Barbara Becerra, a daughter of Mr. and Mrs. Joe Woods, 1930 Adams St.

Barbara Becerra becomes Mrs. John F. Schwentker

Mrs. Barbara Jo Becerra, 3607 Kirkpatrick Homes, became the bride of John F. Schwentker, 6659 West Park St., Louis, on April 18 at St. John United Church of Christ.

Palms and Easter lilies decorated the sanctuary for the double ring ceremony, performed by the Rev. Dr. Paul Surbey at 3 o'clock in the afternoon.

Organist Mrs. Irene Barrick Rapp accompanied Tim

Schrader as he sang two wedding songs.

Parents of the bride, Mr. and Mrs. Joe Woods, reside at 1930 Adams St. The groom is a son of Vick Schwentker of St. Louis.

For her wedding, the bride chose a full-length gown of ivory organza and lace in Victorian style, complemented with an ivory beaded headpiece and fingertip veil.

Attending the couple were Mrs. Jackie Woods, mother of the bride, honor attendant, and the groom's father, Vick Schwentker, best man.

Mrs. Woods selected a long pink dress accented with white trim and wide brimmed white hat.

Tracey Becerra, a daughter of the bride, served as candlelighter. She was dressed in a long Empire frock in peach color and wore peach roses and baby's breath in her hair.

A reception was held in the home of the bride's parents after the ceremony.

The newly married couple is now residing in Granite City, following a wedding trip to New Orleans and Panama City Beach, Fla.

The former Mrs. Becerra graduated from Granite City High School. Her husband graduated from Kirkwood High School and Central College. He is now employed as a metal patternmaker at American Steel Foundries.

PETITION OF RIGHTS
On June 7, 1929, Charles I. of England was forced to approve the Petition of Rights which stated arbitrary imprisonment, martial law and forced loans were illegal.

August homecoming club meeting topic

Committees planning the Aug. 7 homecoming sponsored by the Lincoln Athletic Club met in the home of Vasil Efthimoff, 2800 Michigan Ave., for progress reports on the event.

During the ensuing month the group will need cooperation on assembling the addresses of past residents and their

children prior to a newsletter which will be mailed before the next meeting on May 20, it was noted.

Members of the organization also discussed cooperation with the Granite City Bicentennial committee.

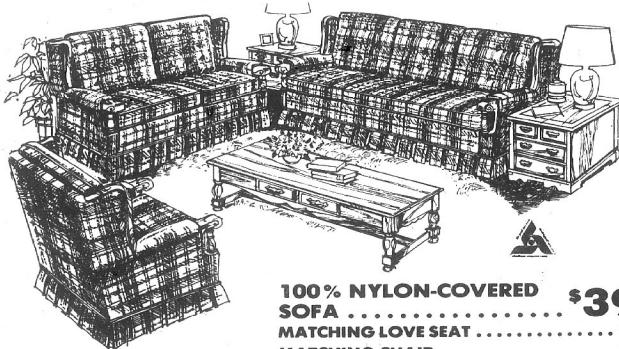

The next meeting will be held in the home of Andy Hagepian.

GEORGE WASHINGTON (Michael Hargrave) relates a bit of American history to the 700 attending Thursday evening's program in Madison. American portrayals were also given by Kevin Brown as Abraham Lincoln, Melissa Crook as Betsy Ross, Diedre Reed as Carrie Nation, Fred Smith as Hank Aaron, John Heil as Paul Revere and Avery Blockton as Muhammad Ali.

LIBERTY TREE is the name of a duet by Joan Miller, left, and Jennifer Hargrave in the center of the stage. Both are Harris School students. Mrs. Valerie Stevens, lower right, plays the piano. The program, in addition to having a Bicentennial theme, was highlighted by awards for posters in the Madison schools' safety and anti-litter program, under the direction of Porter H. Cawly, principal of Harris.

North play on Friday

"You Can't Take It With You" will be presented by the Granite City High School North Speech Department Friday with curtain time at 8 p.m. in the South auditorium.

The Pulitzer Prize-winning play is set in the mid-1890's and depicts the lunacies of the Sycamore family who lives near Columbia University in New York. The Sycamore family is the most gloriously mad group of contended eccentrics ever portrayed in modern theater. The play is being directed by W. A. Hubbard.

MRS. JEFFREY CURTISS, the former Miss Margaret Mary Karpowicz, whose wedding took place at SS John and James Church, Ferguson, Mo. She is a daughter of Mr. and Mrs. Anthony Karpowicz, 3302 Princeton Drive.

Margaret Karpowicz and Jeffrey Curtiss are wed

An out-of-town wedding of interest here was that of Miss Margaret Mary Karpowicz and Jeffrey Eugene Curtiss, both of St. Louis, on April 10 at SS John and James Church, Ferguson, Mo.

The bride is a daughter of Mr. and Mrs. Anthony Karpowicz, 3302 Princeton Drive. The groom is a son of Mrs. Jan Curtiss, Plainville, Neb., and the late Gene Curtiss.

Father Walter Whited performed the double ring ceremony at 10:30 a.m. before an altar decorated with bouquets of pink and white carnations and pom poms. Aisle pews were marked with white bows and sprigs of lily of the valley.

Nuptial selections were played by James Havranek and included Chopin's "Prelude in A," Bach's "My Heart Ever Faithful," "Glory to God on High," "Jesu Joy of Man's Desiring," "Immaculate Mary" and "Follow Me."

The bride selected a full-length white Qiana knit gown created with a high lace neckline and a V-style beaded insert on the Empire bodice and long, fitted sleeves.

Her A-line skirt fell softly into a chapel train. She wore a beaded Juliet cap to secure her fingertip veil of bridal illusion and held an oval bouquet of phalaenopsis orchids, stephanotis and greenery.

Miss Gail Colon of Steeleville, Ill., was maid of honor and Gloria Konkol and Carla Ryterski, both cousins of the bride, served as bridesmaids.

The adult attendants wore long mint green jersey dresses in an Empire silhouette, featuring V-necklines and shirred bodices with a self trim rose accent. A removable short cape fitted under the neckline.

Both the junior bridesmaid, Miss Ryterski, and flower girl Tammy Rasmussen, a niece of the groom, were dressed in pinofore style frocks, fashioned in a pink, yellow, blue and green floral fabric.

A double ruffle over the shoulders tied in a bow at the back. Each of the attendants carried a colonial style bouquet of pom poms and carnations in pink hues with greenery.

The groom was attended by Charles Hall of Atlanta, Ga., as best man. Mike and Donald Karpowicz, brothers of the bride, served as groomsmen and ushers.

Guests were received by the newly married couple at a reception held at the Airport Hall, St. Louis. Mrs. Curtiss, hostess of the groom, hosted a rehearsal dinner at Mr. Yac's.

The bride graduated from St. Teresa Academy, East St. Louis and Southern Illinois University at Carbondale, with a major in merchandising. She is presently employed with the Government Printing Office.

The groom attended Washington University, University of Nebraska College

Phyllis Grable marries David Wayne McKinney

The wedding of Miss Phyllis Elizabeth Grable, a daughter of Mr. and Mrs. William A. Grable, 1869 Pontoon Road, and David Wayne McKinney, son of Mrs. Marjorie McKinney, Carterville, Ill., was solemnized on March 20 at Nameoki United Methodist Church.

Officiating at the double ring candlelight ceremony at 7 p.m. was the Rev. William D. Foster. Organist Phyllis Talley played "A Time For Us," "First Time Ever I Saw Your Face," "You Are The Sunshine of My Life" and "The Wedding March."

Escorted to the altar by her father, the former Miss Grable wore an A-line gown of organza over taffeta, with a cathedral train.

The Venice lace bodice was enhanced with appliques on the sheer oval yoke, high neckline and cuffs of the tapered sleeves. Matching motifs were applied on the long skirt and hemline.

Her bridal bouquet was an arrangement of pink and white carnations, pink roses, white baby's breath and pink and white daisies.

Maid of honor was Miss Vicki Lynn Grable, a sister of the bride, and Sandy Pease, bridesmaid.

They selected full-length

Empire style dresses in pink flocked voile, created with scoop necklines and blishop sleeves, trimmed with lace. Each wore a wreath of spring flowers in her hair and carried a nosegay of daisies in various shades, carnations and baby's breath.

Christopher L. Pease attended the groom as best man. Sam Guarino was groomsmen and Ronald Abner and William Grable, a brother of the bride, seated the guests.

A sister of the bride, Mrs. Beverly Golden, attended the guest book at a reception held in the church hall after the service.

For her daughter's wedding, Mrs. Grable wore a formal-length gown and coat ensemble in turquoise. The groom's mother selected a long light blue dress worn with a matching jacket. Both wore corsages of miniature ivory carnations.

The newlyweds are now residing in East Alton, following a wedding trip to Mexico and Phoenix, Ariz.

The bride graduated from Granite City High School in 1975. Her husband is a Southern Illinois University graduate, where he majored in biology. He now works at Wood River Township Hospital.

MRS. DAVID McKINNEY, formerly Miss Phyllis Elizabeth Grable, who was married at the Nameoki United Methodist Church. She is a daughter of Mr. and Mrs. William A. Grable, 1869 Pontoon Road.

Frohardt PTA elects Mrs. Moss

The Maryville Elementary School Chorus, directed by Mrs. Mary Foster and Mrs. Pat Michaeloff, presented a concert at the April meeting of Frohardt School PTA.

President Mrs. Judy Russell presided and the flag ceremony was given by Browne Troop 500 under the leadership of Mrs. Phyllis Bills and Mrs. June Stillie.

An election of officers was held with Mrs. Sue Moss named president; Mrs. Ruth Yager, vice-president; Mrs. Joyce Toussaint, secretary; and Mrs. Delores McAlister, treasurer.

As the past presidents were introduced by Mrs. Moss each was presented with a small gavel by Mrs. Janet Furman. Installation of officers will be held on May 18, and the picnic, following a Bicentennial theme, is scheduled for May 12.

The newly married couple is residing in St. Louis following a wedding trip to Florida.

The second grade class of Mrs. Mary Ann Rawlings won the parents' attendance prize. Refreshments were served by the morning kindergarten room mothers, with Mrs. Toussaint and Mrs. Donna Asbeck serving as co-chairmen.

STEVEN LEACHS NAME DAUGHTER LAURIE MARIE Mr. and Mrs. Steven Leach of Rochester, Ill., are announcing the birth of a daughter on April 25 at the Rochester Hospital.

The infant has been named Laurie Marie. She weighed six pounds, 11 ounces and has a sister, Leslie, 8, and a 5-year-old brother, Scott.

Mrs. Leach is the former Nancy Bischoff, a daughter of Mr. and Mrs. Howard Bischoff, 1603 Ames Ave. The paternal grandparents, Mr. and Mrs. Ralph Leach, reside at Rochester.

Cradle shower for Mrs. Parker

A surprise cradle shower was given this week for Mrs. Jeff Parker, the former Miss Jill Langenstein, at her home, 2800 Portune Drive.

Hosting the party was the honoree's sister, Mrs. Jean Beggs.

Games were played and refreshments were served by the hostess. Pink and blue were the colors used in the appointments.

Among the guests were Mesdames Loretta BEGS, MaryLou Birkner, Oscar Birkner, Ollie Conaway, Rita Conaway, Sandy Kraus, Muriel Langenstein, Irma Lehr, Lorraine Prokopich, Barb Shelton and Donna Wright; and Misses Cheryl Conaway, Cheryl Mahurin, Linda Conaway and Carla Yeager.

Mary Ann Spiroff wed

Mary Ann Spiroff, a daughter of Leon Costley, 2338 Washington Ave., and Harry W. Costello, a son of Harry W. Costello, 2331 Winters Drive, were married April 16 at the First United Presbyterian Church.

The Rev. David Maxton officiated at the double ring ceremony at 2 o'clock in the afternoon. The couple is residing in Granite City.

Attends deaf leadership training

Leon Hudson of Granite City, president of the Cahokia Chapter of Illinois Association of the Deaf, accompanied by Billy Walker of Cahokia, have returned from a trip to Indianapolis, Ind., where they attended the National Association of the Deaf's Region II leadership training conference.

The two men and the president of the Moline chapter represented Illinois at the 13-state workshop. The three-day meeting stressed deaf leadership of deaf persons and human relations.

Hudson also attended a training session at Eastern Illinois University and plans to attend advanced training at Gallaudet College, Washington, D.C.

Deaf since he was 18 months old, Hudson became active in organizations for the deaf three years ago. He serves as recording secretary of the Communications Telecommunications of Greater St. Louis, an organization which supervises distribution, maintenance and repair of the teletype units necessary for the deaf to communicate by telephone.

The Cahokia Chapter will host the Illinois Association of the Deaf board meeting on May 1 at 9 a.m. in the VFW Hall, Fairview Heights. A casino night will be held at 7 p.m. All proceeds will be used to further deaf projects.

Hudson reported the Cahokia Chapter, which serves this area, has access to a large supply of captioned films from Gallaudet College, but is in need of a movie projector.

Further information about the organization may be obtained from the chapter president at Hudson's Jewelry, 19th and State streets. Anyone having a projector available also may contact him at the store.

Proper assessment level remains in dispute but court ruling enables vital taxing process to be carried out

The good news Tuesday included dismissal of an assessment reduction suit filed by rural property owners, clearing the way for the tax collection process to proceed in Madison County. The bad news was a determination that tax bills will be two or three months late, anyway.

Nobody likes to pay taxes but it is important that the property tax assessment-extension-collection cycle occur on schedule. Otherwise, schools, cities and other local-level governmental agencies encounter a financial squeeze and sometimes have to borrow operating funds—at added cost to taxpayers.

Circuit Judge John DeLaurenti of the Third Judicial Circuit ruled against an amended class action suit filed against county officials by more than 400 property owners. The land owners, most of them farmers, were given ten days in which to restate the suit but the judge barred them from further delaying the tax process.

The basic issue is whether rural property has been assessed proportionately lower than urban sites. County officials contend it has and are trying to make amends. Some of those encountering steep hikes in their assessed valuation are reacting against this through the lawsuit.

A related factor is a 1975 state law, House Bill 990, that established the equalization level for property at 33 1/3 percent of full, fair cash value. The previous standard was 50 percent but adherence to it had become

the exception rather than the rule, partly due to the effect of inflation on home and land prices.

Counties whose 1973 equalization levels were below a third of value are to rise to that level over a three-year period in three gradual steps.

Counties whose assessment was over one-third of actual value in 1974 will allow taxing districts within their boundaries to keep the valuations they had in 1974; the inflation rate, it is expected, will place such counties at a level of 33 1/3 percent by 1977.

If Bill 990 had not become law, court decisions would have mandated assessments in 1975 (tax year of 1976 for collection in 1976) to be equalized at a 50 percent level.

Relieved at the adjustment to 33 1/3 percent, the Illinois Department of Local Government Affairs is making an intensive effort to issue multipliers according to the first step of the new law. As a result, Madison County officials say, they had to act against low assessments now or see the state-set "1" multiplier here changed to an actual multiplier.

While there still will be an opportunity for the merits of the rural area objections to be considered, this week's court decision will enable all tax bills to be determined and mailed. The current estimate is that mailing will take place in August—uncomfortably late for most governmental bodies but nevertheless "better late than never."

Another state nominee victim of foot-in-mouth disease

Guest comment by State Representatives Wyatt Young, Anne Miller, Helen Watterville and Eugene Chapman, and State Senator Vivian Hickey—We are crushed! There were, we think, that it was now well established that women were almost as smart as men.

We thought Madam Curie—and swelled with pride. We thought of Margaret Chase Smith, of Alice Rivlin, of Golda Meir and perhaps the best of them all, Queen Elizabeth I—and stood a little straighter. Women could be good administrators, even great ones.

But now we discover we're wrong. James Thompson, Republican nominee for governor, in trying to find words to show how trivial were the offices that (Democratic nominee) Michael J. Howlett administered, said "What's he administered? The

auditor's and the secretary of state's offices? Well, so could my mother. Sure, he's done a good job, but what did it cost? Making sure the auditor's audit and the license plates got out?"

Mr. Thompson, we're wounded to the quick. We know you said all this in an informal news session and didn't expect to be quoted—and this makes it even worse. One's true feelings come out in these off-the-cuff remarks. We hope your mother gives you a hard time for this remark.

We hope your fellow newspaper mates, Senator Harris and Comptroller Lindberg, will give you a very hard time of it, both for the lack of knowledge of the importance of these two offices as well as the demagoguery of the job. As for us, we're looking you to the Society for the Prevention of Cruelty to Animals.

State prods industry to leave

Chicago Tribune—When an indoor tennis building was put up next to the Klein tool plant at 7200 McCormick Road a few years ago, it was the beginning of the end of the Klein heavy tool operation in Illinois.

Until somebody can figure how to make heavy tool steel rods smashing through a mile under 2,500 pounds of pressure sound like a tennis ball hitting a tennis ball, forging operations are going to be noisy. Mathias Klein & Sons started doing business in Illinois 117 years ago. They moved to the McCormick Road plant, zoned for heavy industry, 20 years ago.

They've done their best to muffle the sound. But the state's Environmental Protection Agency (EPA) says there's too much noise.

"The tennis court complaints came from some of the women over there who said the noise they heard walking from their car to the tennis court was irritating," said Mathias Klein Jr., president.

The Klein forging operations, and 150 of Klein's other paying jobs, are moving to Moran, Kan., population 550. They'll be gone by June 30.

"We talked with Klein to try and get some insight into why so many companies are moving out of Illinois."

Last week, newspapers carried stories of the closing of I. S. Berlin Press, with operations shifting to Charlotte, N.C. About 130 jobs are lost. Also, MGD Graphics with 650 employees is closing Illinois operations and spreading them to five other states.

Belden Corp. with 157 employees is moving operations to Louisiana and Mississippi. Also, we read a series in the LaSalle News-Tribune examining the possibility of the Westcoast main plant operations moving to other states.

Klein appealed to Gov.

Walker and was answered by an assistant.

He wrote Walker "a second time, saying: 'It is a very bitter pill for us to swallow and after contributing to the growth of this state for so long, paying our taxes on time, providing a worthwhile employment, to be forced to leave after 117 years. I believe we are the oldest family-owned and managed company in the state.'"

Skilled workers make \$10 an hour with benefits at Klein. They are provided with earplugs and earmuffs. Thousands of dollars have been spent reducing noise.

"Kansas has roughly the same regulations, but they're a little more fairly administered," Klein said. "The Kansas EPA contacted us, and wanted to see our plans. They said, 'Our labor costs will be at least 10 percent lower. We bought 154 acres for \$94,000, and that included a house and barn.'"

"To relocate in Illinois you've got to get at least 75 miles from Chicago and pay at least \$1,500 an acre."

"Then you start looking at the state's workmen's compensation laws, and under the Springfield is passed, even more companies will flee to those friendly states that arrange to have no taxes, and send the governor's plane for the site-selection committee."

"We were made welcome in Kansas. We won't pay any taxes for 10 years."

"They borrowed over \$4.2 million for us. The state waived all sales tax on equipment for the plant."

"They offered money for on-the-job training, and to reimburse part of the costs for material to train people."

"By the end of the year we'll have 150 people down there. All these would have been Chicago jobs."

"In Illinois there are just too many government programs where people can make more

Unfair tax is based on rabies shots

To the Editor:

Today I received a "non-traffic complaint and notice to appear" for "failing to pay the required registration fee for dogs."

I believe that the citizens of Granite City, particularly those who spend the time, effort and money to care for their animals properly, are being unfairly and unreasonably taxed.

Only those who pay for rabies

inoculations for their pets are taxed.

Those who do not inoculate their pets, whether from disinterest or neglect, do not have to pay this fee. It is obvious that those who protect their pet's health, and therefore the public's well-being, are actually being penalized.

This is outrageous. What of those owners who do not inoculate their pets, who leave

both their pets and the public open to the threat of rabies?

Something must be done, but certainly this law (paragraph 356, section 6, chapter 8 of the Illinois Revised Statutes) incorporated by Madison County) can only serve to increase the backlog of court cases at our county courthouses. It certainly does not protect the public.

City's first obligation is to people

To the Editor:

I am concerned about the badly polluted air in Granite City. Alderman Steve Basarich's criticism of the Illinois Environmental Protection Agency, as quoted in your paper, disturbs me deeply.

He said the EPA doesn't know apples from bananas about this area. He said the EPA drove a General Steel Industries and Union Star from our city, because they couldn't spend money for pollution equipment.

Game will aid Shrine hospital fund

To the Editor:

A total of 219 youngsters received treatment at the Shriners Hospital for Crippled Children through Ainal Temple's help, and the Nobility hopes it will be even more in 1976.

For the past six years, Ainal has averaged finding 206 children that need the care of the Shriners Hospital each year, and that is the reason we are number one in child procurement in the 150 temples of Shrinewood.

We of Ainal do our part when we find the crippled child, and others can help with the hospital expense by making a purchase of tickets for the Shrine-Catholic baseball game on May 15 when the San Francisco Giants come to town; \$1 of the \$3.50 purchase price is a reserved seat will go to the

hospital if we sell 2,500, which we have been doing annually.

If we sell more than 10,000 tickets, we get \$1.50 for all the tickets, and if we sell 10,000, that would make \$15,000 for the hospital.

This is on a Saturday night, with the game starting at 7:30. At 7 o'clock, 20 of the Shrine Units of Ainal will perform on the field. Since the next day is National Shrine Hospital Day, there will be at least 15 other temples in the stands.

As in the past, any group that makes a purchase of 50 or more tickets will be recognized on the electric program board showing they are in attendance.

All children at the Shriners Hospitals, Burns or Orthopedic, are treated without charge. We accept no insurance, welfare or

cash for their care.

Of the 48 children we are taking back and forth to the Burns Center, there is no cost involved for the parents.

The Tri-City Shrine Club has asked the community to help many times before and they have come through with flying colors. Those going to the game will pay the regular price, and part of that will go to help the hospital, through the courtesy of the Cardinals and the court of the Shrine.

As chairman for the event for the Tri-City Shrine Club, I can be contacted for the tickets to help this worthy cause at 452-7333 during the day, and after 5:30 at 877-5390. Let me know how many are needed and I will see to it they get there quickly. We hope to be number one on the night of May 15.

Jehovah members being persecuted

To the Editor:

We are very concerned over the plight of the 36,000 Jehovah's Witnesses in the African country of Malawi. Atrocities are being committed against them.

This central African country is a population of about four and a half million people. It is a member of the United Nations and has a democratic constitution which guarantees the basic freedom for all.

About two per cent of the population is being denied these

freedoms. For the past 10 years, an angry intolerance has been done in this African country.

The local congregation of 117 members urges all to join them in a letter writing campaign. This treatment must stop.

If your conscience moves you, write: LIFE PRESIDENT, DR. H. K. BANDA, MALAWI, CENTRAL AFRICA. Let him know that you know.

Lack of new Alton dam hurts farms

To the Editor:

Lock and Dam 26 on the Mississippi River at Alton is a strategic gateway for barge traffic on both the Illinois and Mississippi River systems.

Lock and Dam 26 is also proving to be the weak link in the transportation chain of farmers raising, storing and shipping grain to the Midwest and the South with its important Gulf Coast ports for export outlets.

Recently, minor damage to the larger of the two locks created a mammoth Alton traffic jam, with more than 800 barges waiting to go through Lock and Dam 26. For some bargeloads of grain, construction steel, coal and petroleum products, the traffic jam caused delivery delays of nearly two weeks.

What effect can such barge

tie-ups at Lock and Dam 26 have on the Illinois economy? Illinois Farm Bureau President Harold B. Steele has said this comment during the height of the recent tie-up:

"A very drastic effect upon our total economy. In agriculture, the products that farmers raise, moving down the river, are stopped there at Lock and Dam 26 because it is inoperable."

At the same time, the products that they need to produce the new crops, such as fertilizer and petroleum products, are stopped at the dam coming upriver. These products are stopped and can't be delivered to the farm.

"At the same time, this is a prime example for we the citizens—all of us are affected—

to look at Lock and Dam 26 and exert our influence upon our elected officials to cause a new structure to be built. It's needed—drastically—and now!"

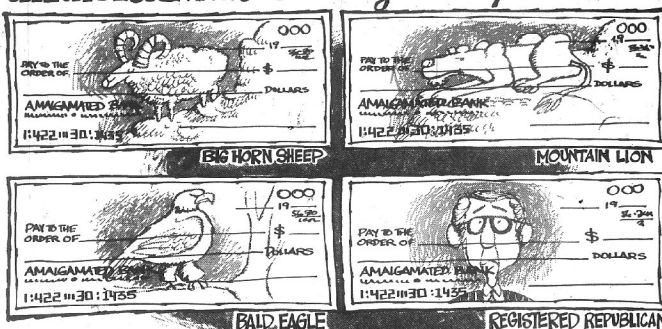

Simply repairing Lock and Dam 26 is not enough to overcome the problem.

The present facility has become a bottleneck routinely because its 600-foot lock is too short to pass a standard 15-barge tow in one locking operation.

Breaking a tow into two parts and locking each half individually makes a two-hour operation of what could take 30 minutes with a new 1,200-foot lock recommended by the U.S. Corps of Engineers.

The recent problem with Lock and Dam 26 clearly demonstrates the vulnerable position Illinois agriculture and business

Silent war by Moscow

By DR. KAMIL WINTER
Dr. Winter is associate professor of mass communications at Southern Illinois University at Edwardsville. He was director of Czechoslovak Television News and Public Affairs until occupation of Czechoslovakia by the Soviets in 1945.

DR. KAMIL WINTER

At least in one country the memory of the American struggle for independence and freedom of 200 years ago is considered harmful and dangerous: Czechoslovakia's "Office for Press Affairs"—a better word of censorship—has issued an order binding for all print, broadcasting and television, to refrain from publishing any articles, news or other information relating to the 200th anniversary of the United States of America.

This prohibition includes features or photographs which even marginally might recall the victorious struggle of American colonies in the 18th Century.

The information has been picked up by *Liberty*, a magazine published by Czech exiles in Italy—which receives usually reliable first-hand news from inside top Communist echelons in Prague.

Last May, during the celebration of the 50th anniversary of the liberation from Hitler occupation, the Czech and Slovak media were strictly forbidden to mention the role of the Wehrmacht in driving the Czechs from Czech soil.

They were forbidden to mention even the well-known fact that many Americans were buried in that soil and that, in honor of their sacrifices, their comrades visited and brought flowers to the graves.

All this might be considered just ridiculous, and unworthy of any comment, were it not for the fact that such orders are not being issued casually or arbitrarily by some incompetent Czech bureaucrat.

The "Office for Press Affairs" is the executive arm of the Czechoslovak Security Ministry.

It receives its orders from the officials of the Communist Central Committee; in matters concerning international affairs, usually from one of the secretaries of the Central Committee, the innermost circle of the Party hierarchy.

And the secretaries of satellite Communist parties like the Czechoslovak one would never dare to take responsibility for anything as sensitive as a matter directly involving the United States.

Even had the idea to suppress all material related to the Bicentennial originated with them, an inquiry of competent Russian authorities would have

been made and only with their approval could such an order have been issued.

It is much more likely, however, that—as it usually happens—the Soviet Embassy transmitted its wishes and desires to the leadership of the Czech Communist party, and one of its members conveyed it to the "Office for Press Affairs," which in turn translated it into the customary jargon of Communist censorship.

In other words, what the Czechs read, hear or see—or, as in this case, what they do not read, hear or see—is determined by the temporary occupants of the Kremlin, Moscow.

This fact puts the otherwise ridiculous handling of Bicentennial news by the Czech Communist party, and its censors into a different light.

As often in the past, Moscow uses its most obedient Communist satellites as a mouthpiece.

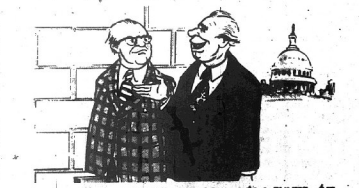

While Brezhnev proclaims "detente," "cooperation," even "friendship" with the American people, the Czech censors speak his real mind, prohibiting even the slightest mention of the most glorious and admirable historic moments of that same American people.

Thus, the latest anti-American prohibition in Prague answers as many questions as it poses.

Do the Soviets indeed have a "new policy" toward the U. S. and the Western World? Is Brezhnev's signature on the Helsinki documents really worth the ink and the paper?

Does the "spirit of Helsinki"—if it ever existed—really inject new hope for the Soviet-dominated nations of Central and Eastern Europe?

Is it possible to preserve and even strengthen the spirit of the "cold war," not by reviving it simply by replacing it with a "silent" one?

"We did for the Presidential inauguration what a failure, five out of ten delegates and 75,000 marching federal funds."

Favorable action on this proposal is needed as soon as possible—by the Ford Administration—and by Congress.

NOTICE OF PUBLIC HEARING ON AN APPLICATION FOR OPERATING ASSISTANCE FUNDS FOR THE IMPROVEMENT AND CONTINUATION OF MASS TRANSPORTATION SERVICE IN THE ST. LOUIS METROPOLITAN REGION.
I, Notice is hereby given that a public hearing will be held by the Board of Commissioners of the Bi-State Development Agency of the Missouri-Illinois Metropolitan District at 9:00 a.m. on Saturday, May 29, 1976, in Assembly Hall No. 4, at Kiel Auditorium, 1400 Market St., St. Louis, Missouri, for the purpose of considering an application for assistance (Project No. MO-05-4002) for which financial assistance is being sought from the Urban Mass Transportation Administration under the Urban Mass Transportation Act of 1964, as amended by the National Mass Transportation Assistance Act of 1974, generally described as follows:
A. Description of Project:
1. This project consists of the provision of operating assistance funds to the Bi-State Development Agency in the St. Louis urban area, including Alton, Illinois.
2. The purpose of this project is to improve and continue mass transportation service in the St. Louis urban area.
3. The estimated net project cost is \$23,989,900. The Federal share is estimated to be \$8,493,500. The local share is estimated to be \$15,496,400. It will be obtained through receipts from the one-half (1/2) cent Missouri sales tax, authorized by the Missouri General Assembly and appropriated to Bi-State by the City of St. Louis and St. Louis County. Local funds will also be used from the Illinois Downstate Operating Assistance Act.
B. Relocation:
No families, individuals, business concerns, or non-profit organizations will be displaced as a result of the project.
C. Environment:
No significant environmental effect, either short-term or long-term will result from this project. Possible adverse social and economic effects which could arise out of failure to receive the operating assistance funds requested are discussed in the Social, Environmental, and Economic Impact Analysis Statement.
D. Comprehensive Planning:
This project does not conflict with the comprehensive land use and transportation planning for the St. Louis area. Comments on the project may be obtained from the A-95 Review Agency and 204 Review. Comments are also invited from the principal elected officials of

general purpose units of government in the Bi-State Development Agency service area.
E. Elderly and Handicapped:
Consideration is being given to the special needs of the elderly and handicapped as described in the application for Federal Assistance.
II. At the hearing, the Bi-State Development Agency will afford an opportunity for interested persons and agencies to be heard with respect to the social, environmental, and economic aspects of the project. Interested persons and agencies may submit orally or in writing evidence, questions, and recommendations regarding this project.
III. A copy of the application for Federal Assistance, together with a social, environmental, and economic impact analysis and the Transit Development Program for the area served by the project, is currently available for public inspection in the Bi-State Development Agency offices at 399 Park Avenue, St. Louis, Missouri 63101 and 818 Olive Street, Suite 630, St. Louis, Missouri 63011.

COUNTY OF MADISON, ILLINOIS
NOTICE OF HEARING
COUNTY OF MADISON, ILLINOIS
SPECIAL SERVICE AREA NUMBER 3
NOTICE IS HEREBY GIVEN, that on May 15th, 1976, at 11:00 a.m., in Court Room No. 3 of the County Courthouse at Edwardsville, Illinois, a hearing will be held by the County Board of Madison County to consider forming a special service area consisting of the following described territory:
A tract of land located in Section 30 and in U.S. Survey 723, Claims 103 and 104, T 3 N, R 9 W and T 3 N, R 10 W of the Third Principal Meridian, Madison County, Illinois, more fully described as follows:
BEGINNING at the intersection of the centerline of McCambridge Avenue with the centerline of Harris Street; thence East from said beginning point along the centerline of Harris Street to the centerline of Farish Street; thence South along the centerline of Farish Street and its southerly extension to the Northerly line of "Clover Leaf Addition Amended Plat" (Flat Book 7, page 43); thence Easterly along said Northerly line to the East line of said subdivision; thence South along the East line of

said subdivision to the South line of said subdivision; thence West along the South line of said subdivision and its Westerly extension to the East right-of-way line of Illinois Route 203; thence South along said right-of-way line to the Northerly right-of-way line of the Illinois Terminal Railroad; thence Southwesterly along said right-of-way line to the most Southerly corner of "Williams Subdivision" (Flat Book 22, Page 25); thence Northwesterly along the Westerly line of said subdivision to the Southerly right-of-way line of the Norfolk and Western Railroad; thence Northerly along said right-of-way line to its intersection with the centerline of Illinois Route 203; thence Northerly along the centerline of Illinois Route 203 and the centerline of McCambridge Avenue to the POINT OF BEGINNING. All interested persons affected by the formation of Madison County Special Service Area Number 3 will be given an opportunity to be heard regarding the formation of, and the boundaries of, the special service area and may object to the formation of the special service area, the issuance of bonds, and the levy of taxes affecting said area.

The purpose of the formation of Madison County Special Service Area Number 3 is to provide a sanitary sewerage system service within the area, including the acquisition of any needed real estate or easement right-of-way necessary thereto. The issuance of General obligation Bonds in an amount not to exceed \$650,000.00 at an interest rate of not to exceed eight per cent and to mature within thirty (30) years, will be considered at the hearing, said bonds, if issued, to be retired by the direct annual tax to pay the interest on such bonds and the principal thereof as they mature, said tax to be levied upon all taxable property within the proposed special service area.

The hearing may be adjourned by the Board without further notice other than a motion to be entered upon the minutes of its meeting fixing the time and place of its adjournment.
If a petition signed by at least 51 per cent of the electors residing within the special service area and by at least 51 per cent of the owners of record of the land included within the boundaries of the special service area is filed with the County Clerk within 30 days following the final adjournment of the public hearing objecting to the creation of the special service district or the issuance of bonds for the provision of the special sanitary sewerage system service in the area, no such district may be created nor bonds issued and no tax levied for the interest and principal to retire the proposed bonds.
Dated, this 29th day of April, 1976.
